**RECORD OF THE ANNUAL TOWN MEETING
HELD IN THE JUNIOR-SENIOR HIGH SCHOOL
AUDITORIUM, MILLIS, MASSACHUSETTS, MONDAY,
MARCH 14, 1966**

The Annual Business Meeting of the Town of Millis, Massachusetts was held Monday evening, March 14, 1966, in the Junior-Senior High School Auditorium and was called to order by the Town Moderator, Philip J. Gavin, Jr., at 7:40 P. M.

The following served as Voting List Inspectors: Ella Mae Pollard, Lorraine Consoletti, Helen Carr and Helen McGann.

The following served as Tellers: Royden Y. Barrett, Joseph T. Cassidy, Robert J. Healy, Thomas W. Percy, Herbert F. Works and Russell Brodeur.

The Town Warrant calling this business meeting was signed by Selectmen Dexter M. Gould, James B. White and Thomas S. Lydon and was posted on February 24, 1966 in accordance with the Bylaws of the Town of Millis by Henry J. Cassidy, Constable.

The Invocation was given by Rev. William C. Fleming, Church of Christ.

Senator John M. Quinlan was introduced as a guest of this meeting.

MOTION made by Mr. James J. Clincy, Chairman of the Finance Committee, to waive the reading of the Warrant and the Service thereof.

VOTED to waive the reading of the Warrant and the Service thereof.

Moderator asked for unanimous consent to omit the reading of the entire article and refer to them by subject matter or number and it was so Voted.

Article 1. To choose a Moderator for one year, a Town Clerk for one year, a Town Treasurer for one year, a Tax Collector for three years, one Selectman for three years, one member of the Board of Public Welfare for three years, one Assessor for three years, two School Committeemen for three years, one Trustee of the Public Library for three years, one Park Commissioner for three years, one Sewer Commissioner for three years, one Water Commissioner for three years, one Cemetery Commissioner for three years, one Cemetery Commissioner for one year, one member of the Planning Board for five years, one member of the Board of Health for three years, one member of the Housing Authority for five years, and one Tree Warden for three years.

As the Annual Town Election was held on March 7, 1966, business proceeded directly to the next article.

Article 2. To hear and act on the reports of Town Officers and Committees.

The Moderator stated that any Motion on this article would be Out of Order as it was impossible for the Town Reports to be printed in time of this meeting.

Article 3. To see if the Town will vote to amend the "Millis Wage Scale" as follows:

To include the classification of PS-1 to PS-5, Sergeant, with a minimum of \$5,600.00 per year to a maximum of \$6,400.00 per year in increments of \$200.00, to Group I, Police Department.

To include the classification of WUL-1 Unskilled Laborer at \$1.75 per hour, and WDC-1 Casual Laborer at \$1.25 to \$1.50 per hour, (Restricted Part Time) under Group IV, Water Department,

or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy, Chairman of the Finance Committee, that the Town vote to amend the "Millis Wage Scale" as follows:

To include the classification of PS-1 to PS-5, Sergeant, with a minimum of \$5,600.00 per year to a maximum of \$6,400.00 per year in increments of \$200.00, to Group I, Police Department.

VOTED that the Town amend the "Millis Wage Scale" as follows:

To include the classification of PS-1 to PS-5, Sergeant, with a minimum of \$5,600.00 per year to a maximum of \$6,400.00 per year in increments of \$200.00, to Group I, Police Department.

MOTION made by Mr. James J. Clancy, Chairman of the Finance Committee, that the Town vote to amend the "Millis Wage Scale" as follows:

To include the classification of WUL-1 Unskilled Laborer at \$1.75 per hour, and WDC-1 Casual Laborer at \$1.25 to \$1.50 per hour, (Restricted Part Time) under Group IV, Water Department.

VOTED that the Town amend the "Millis Wage Scale" as follows:

To include the classifications of WUL-1 Unskilled Laborer at \$1.75 per hour, and WDC-1 Casual Laborer at \$1.25 to \$1.50 per hour, (Restricted Part Time) under Group IV, Water Department.

Article 4. To fix the compensation of elected officers, provide for a Reserve Fund, and to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the Town, including debt and interest, for the ensuing year, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy, Chairman of the Finance Committee, that the Town vote that the amounts of money set forth in the printed report of the Finance Committee be appropriated or transferred for the several purposes therein itemized, each numbered item being considered as a separate appropriation or transfer and that the same be expended only for such purpose.

VOTED that the amounts of money set forth in the printed report of the Finance Committee be appropriated or transferred for the several purposes therein itemized, each numbered item being considered as a separate appropriation or transfer and that the same be expended only for such purpose.

VOTED that Line 65, Expenses be changed to read \$150.00 and that Line 66, Clerical, be changed to read \$200.00.

MOTION made by Mr. John Glynn to Reconsider Line 46, Legal, under Article 4.

VOTED to Reconsider Line 46, Legal under Article 4.

Mr. Glynn asked why there is an increase in Anticipated Court Costs to \$6,328.00.

Finance Committee explained that pending court cases and the Attorney's fee account for this increase.

MOTION made that the Town accept Article 4 as Amended.

VOTED to accept Article 4 as Amended.

Total Appropriations Under Article 4

\$1,277,147.34

Article 5. To see if the Town will vote to appropriate the sum of \$5,000.00 for the salary of the Visiting Nurse for the year of 1966, said appropriation is in no way to be construed as meaning that the Association has to furnish any free service to any category of public assistance, or act in any manner relating thereto.

VOTED that the Town appropriate the sum of \$5,000.00 for the salary of the Visiting Nurse for the year of 1966, said appropriation is in no way to be construed as meaning

that the Association has to furnish any free service to any category of public assistance.

Article 6. To see if the Town will vote to transfer the sum of \$4,583.57 from the Road Machinery Fund to the Road Machinery Account, to be used for road machinery purposes, or act in any manner relating thereto.

VOTED that the Town transfer the sum of \$4,583.57 from the Road Machinery Fund to the Road Machinery Account, to be used for road machinery purposes.

Article 7. To see what disposition the Town will make of the money refunded by the county on account of dog licenses, or act in any manner relating thereto.

MOTION made by Mr. Henry Gibbs, Finance Committee member, that the Town add the money refunded by the county on account of dog licenses to the Library account.

VOTED that the Town add the money refunded by the county on account of dog licenses to the Library account.

Article 8. To see if the Town will vote to raise and appropriate from taxation or available funds in the Treasury a sum of money to be added to the Stabilization Fund in accordance with the provisions of Section 5B, Chapter 40, General Laws, or act in any manner relating thereto.

MOTION made by Mr. Henry Gibbs, Finance Committee member, that the Town appropriate \$10,000.00 to be added to the Stabilization Fund in accordance with the provisions of Section 5B of Chapter 40 of the General Laws.

VOTED that the Town appropriate \$10,000.00 to be added to the Stabilization Fund in accordance with the provisions of Section 5B of Chapter 40 of the General Laws.

Article 9. To see if the Town will vote to transfer money of the George Barden Fund to Evening Practical Arts Account, or act in any manner relating thereto.

VOTED that the Town transfer the money of the George Barden Fund to the Evening Practical Arts Account.

Article 10. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1967 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws.

VOTED that the Town authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1967 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws.

Article 11. To see if the Town will in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, vote to authorize the Cemetery Commissioners, Sewer Commissioners, Water Commissioners, Board of Assessors, Park Commissioners and Board of Health to appoint any of their own members to any other town office or position, for the term provided by law, and fix the salaries of such offices or positions, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine, Finance Committee member, that the Town do authorize the Cemetery Commissioners, Sewer Commissioners, Water Commissioners, Board of Assessors, Park Commissioners and Board of Health to appoint one of their members to any town office or position in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, and that such appointees may be paid on an hourly basis of not more than

\$1.75 per hour, funds for same to be obtained from each department's appropriation under Article 4.

VOTED that the Town authorize the Cemetery Commissioners, Sewer Commissioners, Water Commissioners, Board of Assessors, Park Commissioners and Board of Health to appoint one of their members to any town office or position in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, and that such appointees may be paid on an hourly basis of not more than \$1.75 per hour, funds for same to be obtained from each department's appropriation under Article 4.

Article 12. To see if the Town will vote to authorize the Board of Sewer Commissioners to appoint their own Sewer Registrar, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine, Finance Committee member, that the Town do authorize the Board of Sewer Commissioners to appoint their own Sewer Registrar and that funds for the same be obtained from the Sewer Board appropriation under Article 4.

VOTED that the Town authorize the Board of Sewer Commissioners to appoint their own Sewer Registrar and that funds for same be obtained from the Sewer Board appropriation under Article 4.

Article 13. To see if the Town will vote to authorize the Board of Water Commissioners to appoint their own Water Registrar, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine, Finance Committee member, that the Town do authorize the Board of Water Commissioners to appoint their own Water Registrar and that funds for same be obtained from the Water Board appropriation under Article 4.

VOTED that the Town authorize the Board of Water Commissioners to appoint their own Water Registrar and that

funds for same be obtained from the Water Board appropriation under Article 4.

Article 14. To see if the Town will vote to authorize the Tree Warden to work for the Tree Department and be paid on an hourly basis, the money to be paid from the Tree Department appropriation, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine, Finance Committee member, that the Town do authorize the Tree Warden to work for the Tree Department and be paid on an hourly basis of \$1.75 per hour and that funds for same be obtained from the Tree Department's appropriation under Article 4.

VOTED that the Town authorize the Tree Warden to work for the Tree Department and be paid on an hourly basis of \$1.75 per hour and that funds for same be obtained from the Tree Department's appropriation under Article 4.

Article 15. To see if the Town will vote to rescind the action of Article 43 of the 1963 Adjourned Annual Town Meeting and withdraw from the State Assessment System established in accordance with Section 7A through 7E of Chapter 58 of the General Laws, or act in any manner relating thereto.

VOTED that the Town rescind the action of Article 43 of the 1963 Adjourned Annual Town Meeting and withdraw from the State Assessment System established in accordance with Section 7A through 7E of Chapter 58 of the General Laws.

Article 16. To see if the Town will appropriate a sum of money to the Conservation Fund, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine, Finance Committee member, that the Town raise by taxation and appropriate \$1,000.00 to be added to the Conservation Fund.

VOTED that the Town raise by taxation and appropriate \$1,000.00 to be added to the Conservation Fund.

Article 17. To see if the Town will vote to raise and appropriate a sum of money for the construction, furnishing and equipping of a new library to be built at Main Street and Auburn Road, or act in any manner relating thereto.

MOTION made by Mr. Raymond B. Cartier, Finance Committee member, that the Town appropriate the sum of \$150,000.00 for the construction, furnishing and equipping of a new Town Library, to be built at Main and Auburn Road, and that \$5,000.00 be raised from the current year's tax levy and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow \$145,000.00 and issue bonds or notes of the Town, therefor payable in accordance with Chapters 206 and 44 of the General Laws, so that the whole loan shall be paid in not more than twenty years from the date of issue of the first bond or note and that the Library Building Committee be authorized to accept in behalf of the Town all federal aid granted to the Town under Public Law 88-269, and that said grant be applied against the cost of the library.

By rising count, "yes" 224, "No" 8, it was VOTED that the Town appropriate the sum of \$150,000.00 for the construction, furnishing and equipping of a new Town Library, to be built at Main and Auburn Road, and that \$5,000.00 be raised from the current year's tax levy and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow \$145,000.00 and issue bonds or notes of the Town, therefore payable in accordance with Chapters 206 and 44 of the General Laws, so that the whole loan shall be paid in not more than twenty years from the date of issue of the first bond or note and that the Library Building Committee be authorized to accept in behalf of the Town all federal aid granted to the Town under Public Law 88-269, and that said grant be applied against the cost of the library.

Article 18. To see if the Town of Millis will vote to raise and appropriate the sum of money for the installation of a water storage facility together with all equipment, appliances and fixtures that may be necessary and incidental thereto, and to be located on land that is owned by the Town of Millis in the section known as Millis Heights at the corner of Village Street and Pleasant Street and half the necessary cost to be provided from the Federal Grants available, or act in any manner relating thereto.

MOTION made by Mr. Everett Adams, Finance Committee member, that the Town raise and appropriate the sum of \$87,000.00 for the installation of a water supply storage facility together with equipment, appliances, and fixtures that may be necessary and incidental thereto, to be located on land known as Lots 7 and 8, Section U Millis Heights, described in Tax Title deed dated December 20, 1961 on file at the Registry of Deeds, Book 3532, Page 115, Dedham, Mass. and to meet said appropriation the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow not more than \$45,000.00 and to issue bonds or notes of the Town thereof payable in not more than twenty years in accordance with Chapter 44 of the General Laws. Said appropriation to be expended under the direction of the Board of Water Commissioners provided that the balance of the cost is accepted for the Town by the Board of Water Commissioners from a grant of the United States of America under any applicable Federal Laws or regulations, such grant be applied to the cost of the project.

By rising count. "Yes" 208, "No" 51, it was VOTED that the Town raise and appropriate the sum of \$87,000.00 for the installation of a water supply storage facility together with equipment, appliances, and fixtures that may be necessary and incidental thereto, to be located on land known as Lots 7 and 8, Section U Millis Heights, described in Tax Title deed dated December 20, 1961 on file at the Registry

of Deeds, Book 3532, Page 115, Dedham, Mass. and to meet said appropriation the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow not more than \$45,000.00 and to issue bonds or notes of the Town thereof payable in not more than twenty years in accordance with Chapter 44 of the General Laws. Said appropriation to be expended under the direction of the Board of Water Commissioners provided that the balance of the cost is accepted for the Town by the Board of Water Commissioners from a grant of the United States of America under any applicable Federal Laws or regulations, such grant to be applied to the cost of the project.

Article 19. To see if the Town will vote to raise and appropriate the sum of money for the installation of a water storage facility together with all equipment, appliances and fixtures, that may be necessary and incidental thereto, and to be located on the southwesterly side of Walnut Street to the rear of Lots A, B and C and fronting on Walnut Street between Lots A and B and half of the necessary cost to be provided from any Federal Grants available, or act in any manner relating thereto.

MOTION made by Mr. Everett Adams, Finance Committee member, that the Town raise and appropriate the sum of \$78,000.00 for the acquisition of land and installation of a water storage facility together with all equipment, appliances, and fixtures that may be necessary and incidental thereto and to be located on southwesterly side of Walnut Street to the rear of Lots A, B and C, and to meet said appropriation the Town Treasurer with the approval of the Selectmen be and hereby authorized to borrow not more than \$40,000.00 and to issue bonds or notes of the Town thereof, payable in not more than twenty years, in accordance with Chapter 44 of the General Laws. Said appropriation to be expended under the direction of the Board of Water Commissioners provided that the balance of the cost is accepted

for the Town by the Board of Water Commissioners from a grant of the United States of America under any applicable Federal Laws or regulations, such grants to be applied to the cost of the project.

By rising count, "Yes" 198, "No" 53, it was VOTED that the Town raise and appropriate the sum of \$78,000.00 for the acquisition of land and installation of a water storage facility together with all equipment, appliances, and fixtures that may be necessary and incidental thereto, and to be located on southwesterly side of Walnut Street to the rear of Lots A, B and C, and to meet said appropriation the Town Treasurer with the approval of the Selectment be and hereby is authorized to borrow not more than \$40,000.00 and to issue bonds or notes of the Town thereof, payable in not more than twenty years, in accordance with Chapter 44 of the General Laws. Said appropriation to be expended under the direction of the Board of Water Commissioners provided that the balance of the cost is accepted for the Town by the Board of Water Commissioners from a grant of the United States of America under any applicable Federal Laws or regulations, such grant to be applied to the cost of the project.

Article 20. To see if the Town will vote to appropriate a sum of money for the purpose of defraying cost of boring test wells, together with engineering fees for this work and chemical and bacteriological analyses, in an effort to locate well sites closer to water storage facilities, and to determine whether the money shall be provided for by borrowing or by appropriations from available funds in the Treasury, or act in any manner relating thereto.

MOTION made by Mr. Everett Adams that the Town vote to Dismiss Article 20.

VOTED to Dismiss Article 20.

Article 21. To see if the Town will vote the sum of monies to Meter the Town of Millis, and that the Treasurer, with the approval of the Selectmen, be authorized to borrow the sum of monies and issue notes of the Town therefor payable in accordance with the provisions of Chapter 44 of the General Laws, so that the whole shall be paid in not more than ten years, or act in any manner relating thereto.

MOTION made by Mr. Everett Adams, Finance Committee member, to Dismiss Article 21.

By VOICE VOTE the MOTION for Dismissal was LOST.

MOTION made by Mr. Wayne Hansen that the Town appropriate the sum of \$45,000.00 for the purchase and installation of water meters so that all users of the Millis water system shall be metered, and that the purchase of the 1014 meters needed be by public bid, and that the Town transfer \$8,000.00 from water available surplus account and that the Treasurer, with the approval of the Selectmen, be and is hereby authorized to borrow \$37,000.00 and issue notes or bonds of the Town therefor payable in accordance with Chapters 206 and 44 of the General Laws, so that the whole loan shall be paid in not more than ten years from the date of issue of the first bond or note therefor.

By rising count, "Yes" 120 — "No" 125, the MOTION was LOST.

Article 22. To see if the Town will vote to extend a six-inch cement lined main, a distance of approximately 1630 feet, from the existing main to the junction of Pleasant Street for the purpose of eliminating dead end mains, and to determine whether the money shall be provided for by borrowing or by appropriations from available funds in the Treasury, or act in any manner relating thereto.

MOTION made by Mr. Everett Adams, Finance Committee member, that the Town vote to Dismiss Article 22.

VOTED to Dismiss Article 22.

Article 23. To see if the Town will vote to extend a ten-inch cement lined main, a distance of approximately 144 feet on Spring Street Extension for the purpose of eliminating dead end mains, and to determine whether the money shall be provided for by borrowing or by appropriations from available funds in the Treasury, or act in any manner relating thereto.

MOTION made by Mr. Everett Adams, Finance Committee member, that the Town vote to extend a ten-inch cement lined main a distance of 144 feet on Spring Street Extension for the purpose of eliminating dead end mains and provide \$1,440.00 for payment by transfer from the Water Surplus Account.

VOTED that the Town extend a ten-inch cement lined main a distance of 144 feet on Spring Street Extension for the purpose of eliminating dead end mains and provide \$1,440.00 for payment by transfer from the Water Surplus Account.

Article 24. To see if the Town will vote to replace an existing two-inch main, located on Woodlawn Drive, with 800 feet of six-inch cement lined pipe and to determine whether the money shall be provided for by borrowing or by appropriations from available funds in the Treasury, or act in any manner relating thereto.

MOTION made by Mr. Everett Adams, Finance Committee member, that the Town vote to replace a two-inch main on Woodlawn Drive with 800 feet of six-inch cement lined pipe and provide \$7,200.00 for payment by transfer from the Water Surplus Account.

VOTED that the Town replace a two-inch main on Woodlawn Drive with 800 feet of six-inch cement lined pipe and

provide \$7,200.00 for payment by transfer from the Water Surplus Account.

Article 25. To see if the Town will authorize the Board of Selectmen to enter into a contract with the Department of Public Works and the County Commissioners for the construction and maintenance of public highways for the ensuing year, or act in any manner relating thereto.

VOTED that the Town authorize the Board of Selectmen to enter into a contract with the Department of Public Works and the County Commissioners for the construction and maintenance of public highways for the ensuing year.

Article 26. To see if the Town will vote to raise and appropriate by borrowing or otherwise a sum of money for Chapter 90 Highway Construction, said money to be used in conjunction with any money which may be allotted by the State or County or both, for this purpose, or act in any manner relating thereto.

MOTION made by Mr. Raymond B. Cartier, Finance Committee member, that this Article be adopted and the sum of \$3,500.00 be raised and appropriated for Chapter 90 Highway Construction to meet Town's share, and in addition that the sum of \$10,500.00 be appropriated from Surplus Revenue, this latter sum being the amount of the State and County share under Chapter 90 Highway Construction, and that payments received from the State and County be restored to Surplus Revenue Account.

VOTED that this Article be adopted and the sum of \$3,500.00 be raised and appropriated for Chapter 90 Highway Construction to meet Town's share and in addition that the sum of \$10,500.00 be appropriated from Surplus Revenue, this latter sum being the amount of the State and County share under Chapter 90 Highway Construction, and that payments received from the State and County be restored to Surplus Revenue Account.

Article 27. To see if the Town will vote to raise and appropriate a sum of money for Chapter 90 Highway Maintenance, said money to be used in conjunction with any money which may be allotted by the State and County or both for this purpose, or act in any manner relating thereto.

MOTION made by Mr. Raymond B. Cartier, Finance Committee member, that this Article be adopted and the sum of \$3,000.00 be raised and appropriated for Chapter 90 Highway Maintenance to meet Town's share, and in addition that the sum of \$6,000.00 be appropriated from Surplus Revenue, this latter sum being the amount of the State and County share under Chapter 90 Highway Maintenance and that payments received from the State and County be restored to the Surplus Revenue Account.

VOTED that this Article be adopted and that the sum of \$3,000.00 be raised and appropriated for Chapter 90 Highway Maintenance to meet Town's share, and in addition that the sum of \$6,000.00 be appropriated from Surplus Revenue, this latter sum being the amount of the State and County share under Chapter 90 Highway Maintenance and that payments received from the State and County be restored to the Surplus Revenue Account.

Article 28. To see if the Town will vote to raise and appropriate a sum of money for Chapter 81 Highway Maintenance, said money to be used in conjunction with any money which may be allotted by the State for this purpose, or act in any manner relating thereto.

MOTION made by Mr. Raymond B. Cartier, Finance Committee member, that this Article be adopted and the sum of \$6,600.00 be raised and appropriated for Chapter 81 Highway Maintenance to meet Town's share, and in addition the sum of \$12,100.00 be appropriated from Surplus Revenue, this latter sum being the amount of the State share under Chapter 81 Highway Maintenance and that payments re-

ceived from the State be restored to the Surplus Revenue Account.

VOTED that this Article be adopted and the sum of \$6,600.00 be raised and appropriated for Chapter 81 Highway Maintenance to meet Town's share, and in addition that the sum of \$12,100.00 be appropriated from Surplus Revenue, this latter sum being the amount of the State share under Chapter 81 Highway Maintenance and that payments received from the State be restored to the Surplus Revenue Account.

Article 29. To see if the Town will vote to transfer a sum of \$8,094.86 from Chapter 679 Acts of 1965 to "Village Street Drainage Project", or act in any manner relating thereto.

VOTED that the Town transfer the sum of \$8,094.86 from Chapter 679 Acts of 1965 to "Village Street Drainage Project."

Article 30. To see if the Town will vote to appropriate a sum of money for the purchase for the Highway Department of a four-wheel drive pick-up truck, same to be equipped with snow plow, and to have the allowance on the old four-wheel drive pick-up truck applied against the cost of the new truck, or act in any manner relating thereto.

MOTION made by Mr. Raymond B. Cartier, Finance Committee member, that the Town appropriate the sum of \$2,782.15 for the purchase of a four-wheel drive pick-up truck, same to be equipped with snow plow and to have the allowance on the 1961 jeep with plow apply against the cost of a new one.

VOTED that the Town appropriate the sum of \$2,782.15 for the purchase of a four-wheel drive pick-up truck, same to be equipped with snow plow and to have the allowance on the 1961 Jeep with plow apply against the cost of a new one.

Article 31. To see if the Town will vote to appropriate a sum of money for the purchase of an automatic sand spreader for the Highway Department and determine whether the money shall be provided for by taxation, by appropriation from available funds in the Treasury or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. Lawrence J. Reardon, Finance Committee member, that the Town raise by taxation and appropriate \$2,045.00 for the purchase of an automatic sand spreader for the Highway Department. Said appropriation to be expended under the supervision of the Board of Selectmen.

VOTED that the Town raise by taxation and appropriate \$2,045.00 for the purchase of an automatic sand spreader for the Highway Department. Said appropriation to be expended under the supervision of the Board of Selectmen.

Article 32. To see if the Town will vote to appropriate a sum of money for the purchase of a sidewalk paver for the Highway Department and determine whether the money shall be provided for by taxation, by appropriation from available funds in the Treasury or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. Lawrence J. Reardon, Finance Committee member, that the Town raise by taxation and appropriate \$770.00 for the purchase of a sidewalk paver for the Highway Department. Said appropriation to be expended under the supervision of the Board of Selectmen.

VOTED that the Town raise by taxation and appropriate \$770.00 for the purchase of a sidewalk paver for the Highway Department. Said appropriation to be expended under the supervision of the Board of Selectmen.

Article 33. To see if the Town will vote to raise and appropriate, or transfer from available funds in the Treasury, the sum of \$2,873.12 to pay the following unpaid bills:

Assessors — International Business Machines — Electric Typewriter	\$ 450.00

Sewer — James R. Colello — Trucking	16.00
Sewer — Lloyd C. King — Trucking	254.90
Sewer — Millis Hardware — Supplies	9.67
Sewer — Harris Service Station — Truck Parts and gasoline	38.68
Water — R. W. Jones Electrical Co., Inc. — Lighting Protection	337.00
Water — Roy O. Leonard, Inc. — Painting Standpipe	265.25
Water — Boston Edison Co. — Electricity	860.91
Library — Herman Goldberg Agency, Inc. — Books	136.30
Police — Gulf Oil Corp. — Gasoline	312.91
Water — F. A. Riani — Hydrants	75.00

or act in any manner thereto.

MOTION made by Mr. Lawrence J. Reardon that the Town raise by taxation and appropriate the sum of \$2,873.12 to pay unpaid bills of the Town for the year 1965.

Discussion followed on this Motion.

MOTION for Previous Question made by Mrs. Catherine O'Rourke, which was seconded.

More than two-thirds voting in the affirmative, it was VOTED to call for the Previous Question.

The Voice Vote on the Motion not being unanimous, a standing vote was taken.

By rising count, "Yes" 169 — "No" 21, it was voted that the Town raise by taxation and appropriate the sum of \$2,873.12 to pay the following unpaid bills of the Town for the year 1965:

Assessors — International Business Machines — Electric Typewriter	\$ 450.00
Town Buildings — Janitor's Wages	85.50
Conservation Commission — Mass. Association of Conservation Commission — Dues	15.00
Tax Collector — Powers Typewriter — Typewriter Repairs	16.00
Sewer — James R. Colello — Trucking	16.00
Sewer — Lloyd C. King — Trucking	254.90
Sewer — Millis Hardware — Supplies	9.67
Sewer — Harris Service Station — Truck parts and gasoline	38.68
Water — R. W. Jones Electrical Co., Inc. — Lighting Protection	337.00
Water — Roy O. Leonard, Inc. — Painting Standpipe	265.25
Water — Boston Edison Co. Electricity	860.91

Library — Herman Goldberg Agency, Inc. —	
Books	126.30
Police — Gulf Oil Corp. — Gasoline	312.91
Water — F. A. Riani — Hydrants	75.00

or act in any manner relating thereto.

Article 34. To see if the Town will vote to have the Moderator appoint a committee to investigate the availability of additional land for Park purposes and to make recommendations at the next Special or Annual Town Meeting, or act in any manner relating hereto.

MOTION made by Mr. Lawrence J. Reardon, Finance Committee member, that the Town vote to have the Moderator appoint a committee to investigate the availability of additional land for Park purposes and to have said committee report and make recommendations at the next Special or Annual Town Meeting.

VOTED that the Town have the Moderator appoint a committee to investigate the availability of additional land for Park purposes and to have said committee report and make recommendations at the next Special or Annual Town Meeting.

Article 35. To see if the Town will vote to authorize the Park Commissioners to build a Double Tennis Court on Park land and determine whether the money shall be provided for by taxation, by borrowing or by appropriation, or act in any manner relating thereto.

MOTION made by Mr. Lawrence J. Reardon, Finance Committee member, that the Town raise by taxation and appropriate \$6,350.00 for the purpose of building a Double Tennis Court on Park land. Said expenditure to be under the supervision of the Park Commissioners.

VOTED that the Town raise by taxation and appropriate \$6,950.00 for the purpose of building a Double Tennis Court on Park land. Said expenditure to be under the supervision of the Park Commissioners.

Article 36. To see if the Town will vote to appropriate a sum of money to establish a recreation program for physically and mentally handicapped children, and determine whether the money shall be provided for by taxation, or by appropriation from available funds in the Treasury, or act in any manner relating thereto.

MOTION made by Mr. Lawrence J. Reardon, Finance Committee member, that the Town vote to raise by taxation and appropriate \$500.00 for a recreation program for physically and mentally handicapped children. Said appropriation to be expended under the supervision of the School Committee.

AMENDED MOTION made by Mr. George Duhamel that the sum of \$1,500.00 be appropriated.

By VOICE VOTE the AMENDED MOTION was LOST.

VOTED that the Town raise by taxation and appropriate \$500.00 for a recreation program for physically and mentally handicapped children. Said appropriation to be expended under the supervision of the School Committee.

Article 37. To see if the Town will vote to purchase a new school bus and have the allowance on the 1962 - 59 passenger bus applied against the cost of the new bus, appropriate money for same, or act in any manner relating thereto.

MOTION made by Mr. George D. Cassidy, Jr. Finance Committee member, that the Town raise by taxation and appropriate \$4,890.00 for the purchase of a new school bus and have the allowance for the 1962, 59 passenger bus applied against the cost of the new bus.

VOTED that the Town raise by taxation and appropriate \$4,890.00 for the purchase of a new school bus and have the allowance for the 1962, 59 passenger bus applied against the cost of the new bus.

Article 38. To see if the Town will vote to create a special unpaid committee for a regional vocational school study to consist of three members including one member of the School Committee to be appointed by the Moderator in accordance with the provisions of Section 14 of Chapter 71 of the General Laws as amended and there be appropriated for the use of said committee the sum of one hundred dollars, or act in any manner relating thereto.

VOTED that the Town create a special unpaid committee for a regional vocational school study to consist of three members including one member of the School Committee to be appointed by the Moderator in accordance with the provisions of Section 14 of Chapter 71 of the General Laws as amended and there be appropriated for the use of said committee the sum of one hundred dollars.

At this time Mr. Stanley McQuade asked for Reconsideration of Article 21. By VOICE VOTE the Motion for Reconsideration was LOST.

Article 39. To see if the Town will vote to raise and appropriate a sum of money to be expended under the jurisdiction of the Board of Selectmen on Cedar Street from the railroad to the Medway Town Line towards the development of this area as an Industrial Park, and determine whether the money shall be provided for by taxation, by appropriation from available funds, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. George D. Cassidy, Jr., Finance Committee member, that the Town raise by taxation and ap-

appropriate \$5,000.00 for the construction work on Cedar Street. This sum to be expended by the Highway Department under the supervision of the Selectmen upon the completion of a roadway from Route 109 to Cedar Street by Harky Realty Trust as per legal agreement between Harky Realty Trust and the Town of Millis, said roadway meeting all requirements of the Town of Millis, and provided that Rosenfeld Realty Trust does deed to the Town of Millis a 40 foot right of way now existing on the property of Rosenfeld Realty Trust from Cedar Street to Route 109 and this to be exactly identified in this agreement. Construction work of the Town to begin on Cedar Street at the junction of Street built by Harky Realty Trust and Cedar Street.

Discussion followed on this Motion.

MOTION made by Mr. George D. Cassidy, Jr. that Article 39 be Dismissed.

VOTED to Dismiss Article 39.

Article 40. To see if the Town will vote to change that area shown on the Official Zoning Map of the Town of Millis, Mass., from Residential Zone III to Industrial Zone, described as follows:

Northwesterly by the N.Y.N.H. & H.R.R. Co.

Southwesterly by Plain Street

Southeasterly by Lavender Street, and

Northeasterly by the present division line between Residential Zone III and Industrial Zone, being 200 feet distant from Plain Street

or act in any manner relating thereto.

Letter on file that the Planning Board is in favor of this zoning change.

It was UNANIMOUSLY VOTED that the Town change that area shown on the Official Zoning Map of the Town of Millis, Mass. from Residential Zone III to Industrial Zone, described as follows:

Northwesterly by the N.Y.N. H. & H.R.R. Co.

Southwesterly by Plain Street

Southeasterly by Lavender Street and

Northeasterly by the present division line between Residential Zone III and Industrial Zone, being 200 feet distant from Plain Street

Article 41. To see if the Town will vote to reimburse the Clicquot Club Company for the Town's share of the relocation of the Town water main from the property of the Clicquot Club Company to Route 109, and determine whether the money shall be provided for by taxation, by borrowing or by appropriation from available funds in the Treasury, or act in any manner relating thereto.

MOTION made by Mr. George D. Cassidy, Jr., Finance Committee member, that the Town vote to authorize the Selectmen to petition the General Court to make available from Town funds the sum of \$6,190.30 and to pay the same to the Clicquot Club Company of Millis, Massachusetts for money expended by them for the relocation of a water main along a Town way; provided that no payment shall be made hereunder unless and until said Clicquot Club Company shall have granted a permanent easement for the operation and maintenance of said water main.

VOTED that the Town authorize the Selectmen to petition the General Court to make available from Town funds the sum of \$6,190.30 and to pay the same to the Clicquot Club Company of Millis, Massachusetts for money expended by them for the relocation of a water main along a Town

way: provided that no payment shall be made hereunder unless and until said Clicquot Club Company shall have granted a permanent easement for the operation and maintenance of said water main.

Article 42. To see if the Town will vote to purchase a new Police Station Wagon, Country Sedan, and to have the allowance on the old car (1964 Chevrolet Station Wagon) applied against the cost of the new car; appropriate money or transfer from available funds in the Treasury for same, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine, Finance Committee member, to Dismiss Article 42.

VOTED to Dismiss Article 42.

Article 43. To see if the Town will vote to appropriate a sum of money for the purchase of twenty radio tone alerting receivers for the Fire Department, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine, Finance Committee member, that the Town raise by taxation and appropriate \$3,600.00 for the purchase of twenty radio tone alerting receivers for the Fire Department.

VOTED that the Town raise by taxation and appropriate \$3,600.00 for the purchase of twenty radio tone alerting receivers for the Fire Dpartment.

Article 44. To see if the Town will vote to accept the 1965 Cemetery Trust Funds from the individual families or estates contained herein, or act in any manner relating thereto: Vivian Gustin \$25.00, Mrs. Harry Wight \$100.00, Metro Leontie \$25.00, Powell Malachowski \$50.00, J. Francis Sheehan \$25.00, Mrs. Patrick McGann \$25.00

VOTED that the Town accept the 1965 Cemetery Trust Funds from the individual families or estates contained

herein: Vivian Gustin \$25.00, Mrs. Harry Wight \$100.00, Metro Leontie \$25.00, Powell Malachowski \$50.00, J. Francis Sheehan \$25.00, Mrs. Patrick McGann \$25.00.

Article 45. To see if the Town will vote to raise and appropriate a sum of money to replace the drainage system on Union Street from Daniels Street to Curve Street, a distance of approximately 1100 feet, determine whether the money shall be provided for by taxation, by borrowing or by appropriation from available funds in the Treasury, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy, Finance Committee Chairman, that the Town raise by taxation and appropriate \$6,220.00 to replace the drainage system on Union Street from Daniel Street to Curve Street.

VOTED that the Town raise by taxation and appropriate \$6,220.00 to replace the drainage system on Union Street from Daniel Street to Curve Street.

Article 46. To see if the Town will vote to adopt regulations including safety regulations for residential swimming pools, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy, Finance Committee Chairman, that the Town vote to Dismiss Article 46.

VOTED to Dismiss Article 46.

Article 47. To see if the Town will vote to authorize the Moderator to appoint a committee to continue the work of the present committee on the investigation of land for school purposes, appropriate a sum of money for same, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy, Finance Committee Chairman, that the Town vote to authorize the Moderator to appoint a committee to continue the work of the present committee on the investigation of land for school

purposes, no money to be appropriated.

VOTED that the Town authorize the Moderator to appoint a committee to continue the work of the present committee on the investigation of land for school purposes, no money to be appropriated.

Article 48. To see if the Town will vote to continue the committee authorized by Article 55 at the Annual Town Meeting of 1963 to investigate recreation needs in the Town, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy, Finance Committee Chairman, that the Town vote to continue the committee authorized by Article 55 of the Annual Town Meeting of 1963 to investigate recreation needs of the Town, no money to be appropriated.

VOTED that the Town continue the committee authorized by Article 55 of the Annual Town Meeting of 1963 to investigate recreation needs of the Town, no money to be appropriated.

Article 49. To see if the Town will vote to appropriate a sum of money for the purchase of a backhoe attachment for the Highway Department and determine whether the money shall be provided for by taxation, by appropriation from available funds in the Treasury, or by borrowing under the provisions of Chapter 44, of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy, Finance Committee Chairman, that the Town vote to Dismiss Article 49.

VOTED to Dismiss Article 49.

Article 50. To see if the Town will vote to have the Moderator appoint a committee which shall report to the next Annual or Special Town Meeting on whatever matter assigned to it at this meeting, or on whatever matter or matters

may be presented to it by Town Officials through the Board of Selectmen prior to the next Annual or Special Meeting, or act in any manner relating thereto.

VOTED that the Town have the Moderator appoint a committee which shall report to the next Annual or Special Town Meeting whatever matter or matters that is assigned to it at this meeting or on whatever matter or matters as may be presented to it by Town Officials through the Board of Selectmen prior to the next Annual or Special Town Meeting.

VOTED to Adjourn at 11:27 P.M.

Arthur D. Thorne
Town Clerk

**RECORD OF THE SPECIAL TOWN MEETING
HELD IN THE
JUNIOR-SENIOR HIGH SCHOOL AUDITORIUM
MILLIS, MASSACHUSETTS, MONDAY, JUNE 13, 1966**

A Special Town Meeting of the Town of Millis, Massachusetts was held Monday evening, June 13, 1966, in the Junior-Senior High School Auditorium and was called to order by the Town Moderator, Philip J. Gavin, Jr., at 8:32 P.M.

The following served as Voting List Inspectors: Ella Mae Pollard, Lorraine Consoletti, Helen Carr and Helen McGann.

The following served as Tellers: Arthur J. Carter, Royden Y. Barrett, Joseph T. Cassidy, Roland A. Dwinell, Robert J. Healy and Herbert F. Works.

The Warrant was read by the Town Clerk, Arthur D. Thorne.

A quorum not being present, action was taken on Articles 2 and 4.

..

Article 2. To see if the Town will vote to authorize the Moderator to appoint a School Building Committee with the authority to enter into all contracts and agreements necessary to construct, equip, and furnish an addition to the Junior-Senior High School Building, or act in any manner relating thereto.

MOTION made by James J. Clancy, Finance Committee Chairman, that the Town do vote to authorize the Moderator to appoint a School Building Committee with the authority to enter into all contracts and agreements necessary to construct, equip and furnish the addition of the Junior-Senior High School building, no monies to be appropriated.

VOTED that the Town authorize the Moderator to appoint a School Building Committee with the authority to enter into all contracts and agreements necessary to construct, equip and furnish the addition of the Junior-Senior High School building, no monies to be appropriated.

Article 4. To see if the Town will transfer from the Water Available Surplus Account the sum of \$300.00 to Special Wages Account of the Water Department, or act in any manner relating thereto.

VOTED that the Town transfer \$300.00 from the Water Available Surplus Account to Special Wages Account of the Water Department.

At 8:44 P.M. the Moderator announced that the check lists showed 235 voters in the hall.

Mr. Charles Werner challenged the count. The Tellers' count showed 237 voters in the hall (230 needed to make a quorum).

Article 1. To see if the Town will vote to construct additions and make alterations to the Junior-Senior High School in accordance with plans and specifications by Walter M. Gaffney, Inc., and equip and furnish the same, and appropriate the necessary money therefor, by transferring from available funds, by borrowing or otherwise, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy that the Town vote to construct additions and make alterations to the Junior-Senior High School in accordance with the plans and specifications by Walter M. Gaffney, Inc. and equip and furnish the same, and that the sum of \$742,000.00 be appropriated therefore to be raised as follows: \$2,000.00 to be raised by taxation; \$75,000.00 to be transferred from the Stabilization Fund under matching grant status; that the Town Treasurer, with the approval of the Board of Selectmen be authorized to

borrow the sum of \$590,000.00 under Authority of Chapter 645 of the Acts of 1948 as amended and to issue bonds of the Town therefore payable in accordance with the provisions of Chapter 44, General Laws so that the whole loan shall be paid in not more than twenty years from the date of issue of the first note or bond.

MOTION made by Mr. Edward Tamulevitz to Dismiss Article 1.

Discussion followed on this Article.

By Voice Vote the MOTION for DISMISSAL was LOST.

By rising count, "Yes" 173 — "No" 29, it was VOTED that the Town construct additions and make alterations to the Junior-Senior High School in accordance with the plans and specifications by Walter M. Gaffney, Inc. and equip and furnish the same, and that the sum of \$742,000.00 be appropriated therefore to be raised as follows: \$2,000.00 to be raised by taxation; \$75,000.00 to be transferred from the Stabilization Fund under matching grant status; that the Town Treasurer, with the approval of the Board of Selectmen be authorized to borrow the sum of \$590,000.00 under Authority of Chapter 645 of the Acts of 1948 as amended and to issue notes or bonds of the Town therefore payable in accordance with the provisions of Chapter 44, General Laws so that the whole loan shall be paid in not more than twenty years from the date of issue of the first note or bond.

Article 3. To see if the Town will vote to raise and appropriate the sum of money for the installation of a water storage facility together with all equipment, appliances and fixtures, that may be necessary and incidental thereto, and to be located on the southwesterly side of Walnut Street to the rear of Lots A, B, and C and fronting on Walnut Street between Lots A and B, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy that the Town

vote to install a water storage facility together with all equipment, appliances and fixtures that may be necessary and incidental thereto and to be located on the southwesterly side of Walnut Street to the rear of lots A, B and C on property known as Lot D, containing 1.56 plus or minus acres on said plan of land to be acquired by the Town of Millis, Mass., plan dated February 11, 1961 of Bowie Engineering Company, as provided under Article 47 of the Adjourned Annual Town Meeting of the Town of Millis, March 16, 1964, and that the Town raise and appropriate the sum of \$79,000.00 therefore and to meet said appropriation the Town transfer from Water Available Surplus Account \$7500.00 and that the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow not more than \$71,500.00 and to issue bonds or notes of the Town thereof, payable in not more than twenty years, in accordance with Chapter 44 of the General laws. Said appropriation to be expended under the direction of the Board of Water Commissioners.

By rising count, "Yes" 205 - "No" 8, it was VOTED that the Town install a water storage facility together with all equipment, appliances and fixtures that may be necessary and incidental thereto and to be located on the southwesterly side of Walnut Street to the rear of lots A, B and C on property known as Lot D, containing 1.56 plus or minus acres on said plan of land to be acquired by the Town of Millis, Mass., plan dated February 11, 1961 of Bowie Engineering Company, as provided under Article 47 of the Adjourned Annual Town Meeting of the Town of Millis, March 16, 1964, and that the Town raise and appropriate the sum of \$79,000.00 therefore and to meet said appropriation the Town transfer from Water Available Surplus Account \$7500.00 and that the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow not more than \$71,500.00 and to issue bonds or notes of the Town thereof, payable in not more than twenty years, in accordance with Chapter 44 of the General

Laws. Said appropriation to be expended under the direction of the Board of Water Commissioners.

Article 5. To see if the Town will vote to purchase a new Police Station Wagon, and to have the allowance on the old car (1964 Chevrolet Station Wagon) applied against the cost of the new car; appropriate money or transfer from available funds in the Treasury for same, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy that the Town raise from taxation and appropriate \$2,236.00 for the purchase of a new Police Station Wagon and equipment therefore, and have the allowance on the 1964 Station Wagon applied against the cost of the new Station Wagon.

VOTED that the Town raise from taxation and appropriate \$2,236.00 for the purchase of a new Police Station Wagon and equipment therefore, and have the allowance on the 1964 Station Wagon applied against the cost of the new Station Wagon.

Article 6. To see if the Town will vote to adopt "The Second Service" as provided for under the Medicare Program and appropriate a sum of money for the necessary expenses thereof, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy that the Town vote to adopt "The Second Service" as provided for under the Medicare program and raise from taxation and appropriate \$1,500.00 for the administration thereof and other necessary expenditures. Said sum to be administered by the Millis Visiting Nurse Association.

VOTED that the Town adopt "The Second Service" as provided for under the Medicare program and raise from taxation and appropriate \$1,500.00 for the administration thereof and other necessary expenditures. Said sum to be administered by the Millis Visiting Nurse Association.

Article 7. To see if the Town will vote to raise and appropriate from taxation or available funds in the Treasury the sum of \$1,000.00 to be used for the expenses of the Planning Board, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy that the Town vote to raise from taxation and appropriate \$1,000.00 for Engineering Fees Account of the Planning Board.

VOTED that the Town raise from taxation and appropriate \$1,000.00 for Engineering Fees Account of the Planning Board.

VOTED to adjourn at 9:38 P.M.

Town Clerk

SPECIAL TOWN MEETING
HELD IN THE MEMORIAL SCHOOL AUDITORIUM
MILLIS, MASSACHUSETTS
WEDNESDAY, JULY 27, 1966

A Special Town Meeting of the Town of Millis, Massachusetts, was held in the Memorial School Auditorium on Wednesday, July 27, 1966 and was called to order by the Town Moderator, Philip J. Gavin, Jr. at 8:30 P.M.

Voting List Checkers: Helen S. Carr and Wanda R. Clancy.

Tellers: Russell Brodeur, Arthur J. Carter, Varoujan Kar-entz and Herbert F. Works.

The Warrant calling said meeting was read and also the return of the Constable, Henry J. Cassidy. This Warrant having been posted in ten or more places in the Town seven days prior to the meeting and notices having been sent to all R.F.D. and P.O. Boxholders seven days prior to the meeting in accordance with the Bylaws of the Town of Millis.

The Tellers' count showing only 110 voters present in the hall, the Moderator announced that no action could be taken on Article 4. He also stated that he didn't feel action should be taken on Articles 1, 2 and 3 even though they could be acted upon without a quorum.

MOTION made by Mr. Samuel Powel that the Meeting be Adjourned until Thursday, July 28, 1966, at 8:00 P.M. in this hall.

AMENDED MOTION made by Mr. John Ritchie that the Meeting be postponed for one half hour. VOTED that the Meeting be postponed for one half hour.

The Moderator announced that the Meeting will reconvene at 9:30 P.M.

At 9:30 P.M. the Tellers' Count showed 242 voters present in the hall (236 voters required to make a quorum).

Article 1. To see if the Town will vote to rescind the action taken under Article 3 at the Special Town Meeting on November 8, 1965, or act in any manner relating thereto.

VOTED that the Town rescind the action taken under Article 3 at the Special Town Meeting on November 8, 1965.

Article 2. To see if the Town will vote to transfer the following unexpended balances of loan accounts:

From: Main Street Sewer Extension Account	\$ 945.54
---	-----------

	Winter-Cottage Street Sewer Extension Account	286.96	
	Four Wheel Drive Tractor Account	6.32	
		<hr/>	
To:	Maturing Debt		\$1,238.82
From:	Water Extension, Main and Alma Street Account	\$ 73.39	
	Water Extension, Main Street Account	79.62	
	Water Extension, Middlesex Street Account	1.12	
	Gravel Packed Well Account	934.88	
To:	Water Debt	<hr/>	\$1,089.01
			<hr/>
			\$2,327.83

or act in any manner relating thereto.

VOTED to transfer the following unexpended balances of loan accounts:

From:	Main Street Sewer Extension Account	945.54	
	Winter-Cottage Street Sewer Extension Account	286.96	
	Four Wheel Drive Tractor Account	6.32	
To:	Maturing Debt	<hr/>	\$1,238.82
From:	Water Extension, Main and Alma Street Account	73.39	
	Water Extension, Main Street Account	79.62	
	Water Extension, Middlesex Street Account	1.12	

	Gravel Packed Well Account	934.88	
To:	Water Debt	————	\$1,089.01
			<hr/>
			\$2,327.83

Article 3. To see if the Town will vote to make the following appropriations from the Maturing Debt and Water Debt Accounts to provide an appropriation to be used for the purchase of additional departmental equipment for the Junior-Senior High School.

Maturing Debt	\$1,238.82
Water Debt	1,089.01

and to see if the Town will vote to raise and appropriate an additional sum of money for this same purpose, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy, Chairman of the Finance Committee, that the Town do vote to appropriate from the Maturing Debt Account \$1,238.82 and from the Water Debt Account \$1,089.01. The aforesaid sums are to be used for additional departmental equipment for the Junior-Senior High School Account and an additional sum of \$2,651.79 be appropriated and raised in the 1966 Tax Levy for said purpose.

VOTED that the Town appropriate from the Maturing Debt Account \$1,238.82 and from the Water Debt Account \$1,089.01. The aforesaid sums are to be used for additional departmental equipment for the Junior-Senior High School Account and an additional sum of \$2,651.79 be appropriated and raised in the 1966 Tax Levy for said purpose.

Article 4. To see if the Town will vote to raise and appropriate a sum of money for alterations to the Junior-Senior High School, or act in any manner relating thereto.

MOTION made by Mr. James J. Clancy that the vote

passed at the Special Town Meeting on June 13, 1966 pursuant to Article 1 of the warrant for said meeting be amended to read as follows: That the Town construct additions to the Junior-Senior High School in accordance with the plans and specifications by Walter M. Gaffney, Inc. and equip and furnish the same, and that the sum of \$742,000.00 be appropriated therefore to be raised as follows: \$2,000.00 to be raised by taxation; \$75,000.00 to be transferred from the Stabilization Fund under matching grant status; that the Town Treasurer, with the approval of the Board of Selectmen be authorized to borrow the sum of \$590,000.00 under Authority of Chapter 645 of the Acts of 1948 as amended and to issue notes or bonds of the Town therefore payable in accordance with the provisions of Chapter 44, General Laws so that the whole loan shall be paid in not more than twenty years from the date of issue of the first note or bond; and that the Town raise and appropriate from the 1966 Tax Levy the sum of \$25,020.38 for alterations to the existing Junior-Senior High School.

It was VOTED UNANIMOUSLY, the Moderator announcing 242 voters present and voting, that the vote passed at the Special Town Meeting on June 13, 1966 pursuant to Article 1 of the warrant for said meeting be amended to read as follows: That the Town construct additions to the Junior-Senior High School in accordance with the plans and specifications by Walter M. Gaffney, Inc. and equip and furnish the same, and that the sum of \$742,000.00 be appropriated therefore to be raised as follows: \$2,000.00 to be raised by taxation; \$75,000.00 to be transferred from the Stabilization Fund under matching grant status; that the Town Treasurer with the approval of the Board of Selectmen be authorized to borrow the sum of \$590,000.00 under Authority of Chapter 645 of the Acts of 1948 as amended and to issue notes or bonds of the Town therefore payable in accordance with the provisions of Chapter 44, General Laws so that the whole loan

shall be paid in not more than twenty years from the date of issue of the first note or bond; and that the Town raise and appropriate from the 1966 Tax Levy the sum of \$25,020.38 for alterations to the existing Junior-Senior High School.

Voted to Adjourn at 9:45 P.M.

. Question No. 1**Proposed Amendment To The Constitution**

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 11, 1963, received 228 votes in the affirmative and 29 in the negative, and in a joint session of the two branches held May 5, 1965, received 225 votes in the affirmative and 24 in the negative?

Yes	1201
No	446
Blanks	320

SUMMARY

The proposed amendment provides that at state elections candidates for Governor and Lieutenant-Governor shall be grouped on the official ballot according to the party that they represent and that it shall not be possible to vote for Governor and Lieutenant-Governor except as a partisan group.

Question No. 2

Proposed Amendment To The Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 16, 1963, received 169 votes in the affirmative and 100 in the negative, and in a joint session of the two branches held May 5, 1965, received 200 votes in the affirmative and 61 in the negative?

Yes	1220
No	386
Blanks	361

The proposed amendment provides that the Governor, for the purpose of making certain structural changes in the executive department, may from time to time prepare reorganization plans to be presented to the General Court. If the General Court fails to disapprove a reorganization plan within sixty days of its presentation and has not prorogued by the end of such sixty days, the plan at that time shall have the force of law.

Question No. 3

Proposed Amendment To The Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held

June 11, 1963, received 232 votes in the affirmative and 18 in the negative, and in a joint session of the two branches held May 19, 1965, received 159 votes in the affirmative and 91 in the negative?

Yes	1145
No	435
Blanks	387

SUMMARY

The proposed amendment authorizes the Commonwealth and the cities and towns therein to provide for municipal industrial development in such manner as the General Court may determine.

Question No. 4

Proposed Amendment To The Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 16, 1963, received 208 votes in the affirmative and 43 in the negative, and in a joint session of the two branches held May 19, 1965, received 219 votes in the affirmative and 39 in the negative?

Yes	1268
No	290
Blanks	409

SUMMARY

The proposed amendment confers considerable authority upon cities and towns with respect to conduct of municipal government, including the authority to adopt, repeal and amend city and town charters and, in accordance therewith, local ordinances and by-laws. The General Court retains general power to act in relation to cities and towns and classes

thereof and, in some circumstances, to enact special laws regarding a particular municipality, including laws for its incorporation, dissolution or merger. Cities and towns are not empowered to act with respect to general elections, taxation, pledges of credit, dispositions of park land, general civil relationships, the punishment of felonies, or the imposition of imprisonment except as the General Court may lawfully confer such powers upon them.

Question No. 5

Laws Submitted Upon Referendum After Passage

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 118 in the affirmative and 102 in the negative and was approved in the Senate by a vote of 21 in the affirmative and 16 in the negative?

Yes	1447
No	360
Blanks	160

SUMMARY

The Act imposes a temporary tax upon all retail sales of tangible personal property at the rate of three per cent of the selling price. Sales of certain items are exempted from the tax, including but not limited to sales of food products for human use, articles of clothing, prescription medicines, agricultural machinery and certain publications. The statute contains specific provisions relating to the registration of vendors, the filing of returns and the payment of the amounts collected by such vendors. Vendors may apply to the State Tax Commission for abatements of the amounts owed where they believe such amounts to be excessive, and decisions of the Commission on such applications may be reviewed by the Appellate Tax Board. The Commissioner of Corporations and Tax-

ation shall have the usual powers and remedies provided for tax collection for the collection of the taxes imposed by this section. The State Tax Commission shall issue regulations necessary for proper administration and enforcement of the section.

The Act further imposes a temporary excise upon the storage, use or other consumption in Massachusetts of tangible personal property at the rate of three per cent of the sales price of such property. Sales upon which the retail sales tax, described above has been imposed, or which are exempt from the retail sales tax, shall be exempt from the use tax. Sales upon which a tax has been paid in another jurisdiction shall also be exempt. Assessment, abatement and collection of the use tax shall be governed by the provisions which relate to the tax upon retail sales. The tax upon retail sales and the excise upon storage, use or other consumption shall be effective during the period from April 1, 1966 to December 31, 1967.

Each qualified tax payer shall be entitled to a credit of four dollars for himself, four dollars for his spouse and eight dollars for each qualified dependent, but such credit shall not be allowed if the taxable income of such individual and his spouse exceeds five thousand dollars for the year. In addition to the taxes described above, the Act provides for new excises upon certain banks; new taxes upon the income of certain corporations; new taxes upon cigarettes; a room occupancy excise upon rent paid for the use of hotel rooms and other lodging places; and excises upon sales of certain alcoholic beverages.

The Act creates the Local Aid Fund for the purpose of providing educational assistance, and authorizes the periodic distribution of amounts from such Fund to the cities and towns. In addition, the Act contains a variety of provisions relating

to the program of State aid to public schools, and to its administration.

Question No. 6

Do you approve of an act passed by the General Court in the year nineteen hundred and sixty-six, entitled "An Act imposing a temporary tax on retail sales, and a temporary excise upon storage, use or other consumption, of certain tangible personal property, revising and imposing certain other taxes and excises, establishing the Local Aid Fund, and providing for the distribution of funds therefrom to cities and towns?"

Yes	1155
No	457
Blanks	355

Question No. 7

A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

Yes	1438
No	350
Blanks	179

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

Yes	1376
No	352
Blanks	239

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

Yes	1461
No	272
Blanks	234

D. Shall licenses be granted in this city (or town) for the sale of all alcoholic beverages by hotels having a dining room capacity of not less than ninety-nine persons and lodging capacity of not less than fifty rooms?

Yes	1361
No	340
Blanks	266

Question No. 8

E. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

Yes	1125
No	611

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

To the Citizens of Millis:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Millis for the year ending December 31, 1966.

Aerial Spraying	1,494 Acres
Ground Spraying	601 Acres
Drainage Clearance	10,052 Feet
Brush Clearance	3,922 Feet
Culverts Cleaned	47 Culverts
Catch Basins Treated	258 Catch Basins

Respectfully submitted,

JOHN C. KUSCHKE,

Superintendent

REPORT OF BOARD OF APPEALS

December 31, 1966

To the Honorable Board of Selectmen
and the Citizens of Millis:

The Board of Appeals held fourteen open hearings on appeals for variances or permits during 1966.

Dates of hearings, petitioners and dispositions follow:

February 7—Edward F. Davidson, Main street. Petition for variance denied for lack of legal frontage.

February 7—William A. Rivers, 235 Plain street. Petition to establish real estate office in his home dismissed because of petitioner's absence.

March 7—Richard J. Kedski, 90A Irving street granted two foot side line variance to build addition.

April 11—William F. Whelan, 68 Village street, granted a front lot line variance to build garage in line with dwelling.

April 11—W. Herbert Cockshaw, Main street. Special permit granted to add fourth apartment to present apartment building with 600 square feet parking space provided.

May 6—Bruce J. Targeon, 26 Baltimore street, granted frontage variance to erect single family dwelling.

May 6—Glen Ellen Country Club, Orchard street, granted conditional permit to remove 11,000 cubic yards of fill from designated area.

May 6—Salvatore Costa, 20 Cedar street. Petition to re-classify industrial land to residential denied, the Board believing that re-classification of zones is a matter for action by town meeting.

- June 23—Daniel C. Collins, Jr., (Eden Developers, Inc), Main street, granted permit to erect a 27 unit apartment house.
- June 27—Frank Taddeo, Village street, denied further variances as limited size of lot provided inadequate leaching area.
- October 22—Robert W. and Ellinor L. Harkins, 1279 Main street, granted side lot line variance to erect two car garage for personal use.
- November 28—Samuel Powel, 80 Island Road, granted conditional permit to sell fine art objects, etc.
- November 28—Samuel Novick (Novick's Hotel) Village street, granted special permit to erect a covered walk and dining room addition.
- December 12—Manuel M. Freed, 1463 Main street, petitioned to build a 74 foot by 33 foot warehouse addition to present building. Petition under consideration.

In all cases the Board viewed the property concerned, held meetings to consider it's decisions and conferred with Town Counsel Anthony T. Petrocca on legal points.

On May 16, 1966 the Superior Court annulled a 1965 front-ae variance given to Anthony Mignone, Baltimore street, largely because of technical details.

A rule regarding surplus loam has been adopted by the board, it deciding to issue no such permits until property concerned has been regraded and loam replaced to a minimum of four inches.

Respectfully submitted,

WILLIAM F. WRIGHT, Chairman

ANTHONY P. MELESKI, Secretary

JOHN F. O'ROURKE, Member

NORMAN JACQUES, Associate Member

C. T. WHITLEY, Associate Member

REPORT OF THE BOARD OF SEWER COMMISSIONERS

To the Citizens of Millis:

The Sewer Commissioners organized March, 1966 as follows: George Sarris, Chairman; George DeAngelis, Clerk; and Robert Pettis. George Sarris was appointed Superintendent of Sewers.

On July 15, 1966, the sub-bids were opened at Millis Fire House at 11:30 a.m. for the new treatment plant as follows:

Roofing, flashing and sheet metal works:

1. Gilbert and Becker Co. Inc. \$990.00
16 Clapp St., Boston, Mass.
(may be used by any General Bidder)
2. Eagle Cornice and Skylight Works \$1,289.00
197 Sidney St., Cambridge, Mass.
(may be used by any General Bidder)

Electrical Work:

1. J. E. Guertin Co., Inc. \$11,400.00
59 Kendall St., Framingham, Mass. ..
(may be used by any General Bidder)
2. Richardson Electrical Co., Inc. \$15,660.00
16 Cooper Lane, Waltham, Mass.
(may be used by any General Bidder)

Miscellaneous metal work:

1. Ablondi-Boynton Corp. \$8,950.00
92 Nickerson Rd., Ashland, Mass.
(may be used only by Ablondi-Boynton Corp.)
2. E. Van Noorden Co. \$22,760.00
100 Magazine St., Boston, Mass.
(may be used by any General Bidder)

3. Quincy Ornamental Iron Works Inc. \$25,300.00
205 West First St., South Boston, Mass.
(may be used by any General Bidder)
4. Standard Steel and Iron Works, Inc. \$27,569.00
165 Walnut St., Watertown, Mass.
(may be used by any General Bidder)
5. Poorvu Construction Co., Inc. \$36,000.00
103 River St., Waltham, Mass.
(may be used only by Poorvu Constr. Co., Inc.)

On July 21, 1966, the bids for the new treatment plant were opened for Contract No. 16 at Millis Fire House at 8 p.m. They were as follows:

1. Bart Bratko Corp., Wellesley, Mass. \$188,735.00
2. Ablondi-Boynton Corp., Ashland, Mass. \$201,133.00
3. Ronald L. Morrison Inc., Needham, Mass.
\$257,339.00
4. Poorvu Construction Co., Inc., Waltham, Mass.
\$262,335.00
5. A. Bonfatti & Co., Inc., Norwood, Mass.
\$280,286.00
6. Fulton Railing Inc., Lawrence, Mass. \$326,511.00
7. C. F. I. Construction, Cranston, R. I. \$345,889.00

The Engineers, Haley and Ward, checked on the Bart Bratko Corp. and made their recommendation to us that Bratko Corp. was capable of doing the job. The board voted to award Contract No. 16, Sewer Treatment Plant, to Bart Bratko Corp. at their bid of \$188,735.00.

The Bart Bratko Corp. started the project in September, 1966, and it is going very well. We are in hopes that the

sewer treatment plant will be in operation in mid-summer 1967.

The assessment for sewer extensions is levied to the abutters at \$2.50 per foot of frontage. We are inserting an article in the annual town warrant to increase the cost per foot of frontage.

Sewer rental to the users of the town sewer system is rated 50 percent of their water bill.

All property owners wishing to connect to the town sewer system must have a PERMIT. The contractor or person doing the job must be approved by the Sewer Commissioners. The entrance into the sanitary system for purposes of water drainage other than sewerage is PROHIBITED. All sewer connections are subject to INSPECTION by the Sewer Commissioners.

Repectfully submitted

GEORGE SARRIS, Chairman

GEORGE DeANGELIS, Clerk

ROBERT PETTIS

REPORT OF THE INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen
and the Citizens of Millis:

I hereby submit the following report of the Inspector of Animals for the year ending December 31, 1966.

The annual barn and animal inspection has been completed.

All cattle from out of state were checked and released.

There were fifty-one dog bites during the year and none of these dogs showed any symptoms of rabies.

All other work was carried out as ordered by the Director.

Respectfully submitted,

TIMOTHY J. McCARTHY,

Inspector of Animals

REPORT OF DIRECTOR OF VETERANS' SERVICES

To the Honorable Board of Selectmen
and Citizens of Millis:

I herewith submit my report as Veterans' Agent and Director of Veterans' Services for the year ending December 31, 1966.

During the current year, this office handled 1001 inquiries by veterans and/or their dependents seeking advice, assistance and information relative to benefits and related pertinent problems.

The enactment of Chapter 716 of the Acts of 1966, redefining the word VETERAN, and thereby allowing all men and women who served in the armed forces subsequent to February 1, 1955 to take advantage of all ex-service personnel programs, both federal and state, can only mean an expansion of activities, both in the expenditure of monies and need for services, and thus a greater workload for this office in future years.

I wish to thank the town officials, department heads, assistants and the medical personnel of the town for their splendid cooperation throughout the year.

REPORT OF THE BUILDING INSPECTOR

To The Honorable Board of Selectmen and the Citizens of Millis:

I hereby submit my report as Building Inspector for the Town of Millis for the year of 1966.

The number of permits issued in 1966 showed a marked decline from the number issued in 1965. Residential construction suffered the greatest loss.

The following is a break down of the building permits issued in 1966.

12 Building Permits issued for new residential construction.	
Total estimated cost of construction.	\$ 158,000
23 Building Permits issued for additions to existing structures.	
Total estimated cost of construction.	\$ 63,750
14 Building Permits issued for renovations to existing structures.	
Total estimated cost of construction.	\$ 16,350
12 Building Permits issued for auxiliary buildings.	
Total estimated cost of construction.	\$ 11,025
3 Building Permits issued for new commercial or industrial buildings.	
Total estimated cost of construction.	\$ 48,000

1 Building Permit renewal issued at no cost.

65 Permits issued with a total estimated cost of

\$ 296,375

I would like to express my thanks for the co-operation I have received from the Board of Selectmen, my associate Mr. William Whelan and to Mrs. Beryl Spencer.

Respectfully submitted,

C. F. MANDELL

Building Inspector

REPORT OF THE PARK DEPARTMENT

The Board of Park Commissioners respectfully submit a brief summary of the Millis Park Department accomplishment for the year ending December 31, 1966.

Once again the Park Department reminds the Citizens of Millis, that the town is in need of more park land. We do not have the land for various groups and organizations that want to use the park.

We also wish to express sincere appreciation to Mr. Karoghlanian and Mrs. Scott for their time and talent for a successful tennis program. More children were able to join the tennis program because of the new tennis courts constructed this year.

This year a large Merry-Go-Round was installed and has proved very enjoyable for the youngsters. Also several new benches were added to the park, along with a picnic table. It is the wish of the park department that every year a new piece of equipment could be added to the park.

Vandalism is still a big problem in the Park, several hundred dollars of equipment and buildings were damaged this year. Destruction of Park property must stop.

Respectfully submitted,

Board of Park Commissioners

MICHAEL F. COSTELLO

GEORGE DUHAMEL

PAUL R. FREESE

IN MEMORIAM

Martin J. Power

The present Library Trustees wish to join the people in the Town of Millis in expressing their sorrow upon the passing of Martin J. Power, who served for twenty years as a Trustee of the Millis Public Library.

LIBRARY TRUSTEES REPORT — 1966

Enraptured by the vision of wall to wall efficiency that now ornaments the corner of Main Street and Auburn Road, the library trustees have pointed their efforts in 1966 towards that happily impending day when we shall occupy our new building.

While our dream of glory was being hammered into shape, we were busy formulating new plans for greater library service and working out operational details for a smooth transition from the obsolete to the contemporary.

Two regional meetings were held at our Exchange Street rooms where we were hosts to 12 neighboring libraries of comparable size. Discussions of various library problems, the exchange of ideas and comparison of new techniques and reports from library conferences were extremely helpful. Another meeting will be held here in our new library this spring. One of the results of these meetings has been our long range study of the Library Policy based on the excellent Manual and By-Laws of the Medway Trustees.

We wish to thank our excellent staff for their continued efficiency and devotion. We also extend thanks for the many generous contributions of gifts from citizens of Millis.

Respectfully submitted,

Library Trustees:

BETTY L. TEMPLE, Chairman

RETIREMENT NOTE

Otis E. Gilpatrick

Water Department Employee 1941 - 1966

We wish to acknowledge with regret the retirement of Water Department employee, Otis E. Gilpatrick, who served twenty-five years of faithful and devoted service to the Town of Millis Water Department.

His sincere devotion to duty and dependability has set a high standard that will be remembered by the Community.

Tax Collector-Town of Millis

REPORT OF THE CEMETERY COMMISSIONERS

To the Citizens of Millis:

The Cemetery Commissioners organized for 1966 with William Whalen as Chairman, Arthur S. McFetridge as Superintendent, and Richard Solan as Clerk.

Many meetings were held throughout the year and the Commissioners of Prospect Hill Cemetery moved ahead with the preservation of the older burial grounds and came forth with new ideas for further developing the newer part of the Cemetery. Much was done in care and development this past year and we hope that noticeable advancements can be attained in the year to come.

The Cemetery was plagued by immense tree damage caused by ice and heavy snow during the late winter months. Much time and effort was expended in tree repair before the general spring cleanup and preparations for Memorial Day were begun.

In addition to general care and landscaping, 35 burials took place in Prospect Hill Cemetery in 1966, a considerable increase over the previous year.

The Cemetery Commissioners are grateful for the added support through bequests to the Cemetery Trust Funds and Perpetual Care. These funds are a tremendous help in our endeavor to maintain Prospect Hill Cemetery.

We also wish to thank the townspeople and all town departments who helped us in any way this year.

Respectfully submitted,

WILLIAM WHALEN

Chairman

RICHARD SOLAN

Clerk

ARTHUR S. McFETRIDGE

and Citizens of Millis:

I hereby submit my report as Gas Inspector for the year
ending December 31, 1966:

Permits issued	58
Inspections approved	58

Respectfully submitted,

HUGH J. McCARTHY,

Gas Inspector

REPORT OF THE COMMITTEE ON MEDICARE

To the Board of Selectmen, Millis, Massachusetts:

This committee was appointed in June 1966 by the Town Moderator for the purpose of determining how the Town may best avail itself of the benefits of the Medicare program (Social Security Acts of 1965, Title 18), specifically in terms of Home Health Agency services (nursing and related services). The members represent a cross-section of the lay and professional population of Millis.

The committee together with the board and staff of the present home health agency—the Millis Visiting Nurse Association—has met monthly to explore the requirements, conditions and problems entailed in providing Medicare services. Much detailed work by the nursing staff under the guidance of the State Health Department has resulted in Federal certification of the Millis V.N.A. as an approved Home Health Agency for purposes of Medicare reimbursement. However, further definition is required in terms of personnel policies, salary and benefit standards, and organizational structure to meet the demands for service and to provide a mechanism for cost accounting, claims processing and evaluation. The present small nursing staff, covering both community and school nursing, working at substandard salary on an inadequate budget, does not have the secretarial and other overhead facilities to negotiate the non-nursing business functions involved in Medicare transactions.

The above matters, including budgetary and organizational proposals, have been submitted to the appropriate Town officials for advice and recommendations, and at this time await action in the form of articles to be drawn up and submitted for voting approval. In order for our citizens to receive Medi-

care and later Medicaid benefits to which they are entitled, major decisions about fiscal, professional, and organizational improvements will have to be made.

Respectfully submitted,

WILLIS A. SCOTT, JR.

Chairman

REPORT OF PARK LAND INVESTIGATING COMMITTEE

The Park Land Investigating Committee was appointed by the Moderator under the authority of the Annual Town Meeting.

This committee has undertaken to compile a listing of land owned by the Town of Millis and designated for Park and/or Recreational purposes. We have placed an article in the warrant this year recommending that such properties be maintained by the Park Department.

We have also investigated some properties suitable for future Park use, though no final recommendations have been decided upon.

We do recommend that this committee be continued.

Respectfully submitted,

SEYMOUR DOLINER,
Chairman

SUSAN W. LOCKETT,
Secretary

DANIEL J. BENNETT

GEORGE W. DUHAMEL

EDGAR J. DUPUIS

REPORT OF THE MILLIS LIBRARY BUILDING COMMITTEE

As this report is being written (mid-January) the new Library Building is in final stages of completion, and moving day is, we dare hope, near at hand. This is the period when everything seems to go with exasperating slowness because the job is reduced to an infinite number of small details which all have to be attended to in a certain order. The carpet layer must wait upon the painter, the plumber on the linoleum man. Gradually these details are straightened out and everything falls into place. By the time this is being read, we trust that such concerns will be in the forgotten past and the Library will be installed and operating in its new quarters.

The one major misfortune which befell the project was the delay caused by failure of a distant supplier to deliver the main structural beams on schedule. From late July when they were due until final delivery on September 29 all work on the building was, of necessity, at a stand-still. The Contractor, who was in no way to blame, suffered the greatest hardship, since he had somehow to occupy his work crews elsewhere yet have them ready to resume work at once when needed. From our point of view the hiatus obviously ended plans to move in during October and further delayed the finishing work by extending it into cold weather and shortened daylight hours. A side effect was that loaming and seeding of the grounds had to be postponed over the winter so that completion of the project and closing of the financial books will run into next summer.

It is not too early for your Chairman most warmly to attest to the cordial and cooperative spirit which has prevailed throughout between the Contractor, the Architects and the

Committee. Small differences which might have erupted were invariably met with forbearance and goodwill. Even the strains of the long shut-down were survived in harmony.

We are particularly grateful for the services of Mr. Charles Mandell as Clerk of the Works. He has been most dilligently and effectively "on top of the job" throughout. From his experience and wisdom he has consistently foreseen and warned of difficulties before they could arise, and his tact and good humor have helped immeasurably to scale all our problems down to manageable proportions.

From first to last and at one time or another we have had occasion to call on practically every official and department of the Town for some bit of advice or assistance. All have responded most helpfully and we are indeed grateful. We are especially indebted to the Moderator, the Selectmen and the Finance Committee for backing us up at various critical points and smoothing the way through some difficult areas.

and Citizens of Millis:

I hereby submit my report as Tree Warden of the Town of Millis for the period ending December 31, 1966.

The Town Nursery has progressed very well this past year. Through the kind generosity of Mr. and Mrs. Samuel Powel of Island Rd. the nursery has been enriched by many small trees that will be planted where needed when they have attained a larger growth.

This Department also planted many trees throughout the town, but due to the late date of delivery the remainder were placed in the nursery until spring.

During the coming year, I will endeavor to continue the program of removing dead and diseased trees as well as trimming all others where needed.

I wish to thank the Board of Selectman, other Town Departments, as well as the People of Millis, for their cooperation this past year.

Respectfully submitted,

FRANCIS K. FARRICY,

Tree Warden.

REPORT OF THE POLICE DEPARTMENT

To the Honorable Board of Selectmen
and Citizens of Millis:

I herewith submit my report of the Police Department for
the year ending December 31, 1966.

OTHER ACTIVITIES

During the nightly check of doors and windows 268 doors and windows were found open. Owners were notified and Business Establishments secured. We still advise all places of business to leave lights on and suggest that when Citizens go away on vacations for any length of time to leave a small light burning and notify the Police Department when they leave and return.

The Police Women (4) are kept very busy at four different locations with the increased number of children that now walk to School on Route 109 and Route 115. More Children walk to school than in previous years. They do an excellent job and should be commended for their interest. It is necessary now to have an Officer at the Intersection of 109 and 115 twice a day for School Traffic.

The Dispatch Office, under the supervision of Mrs. Doris Foster, has handled more calls again this year for Police, Fire,

Ambulance, Doctors and all Emergencies. This office serves as an Information Bureau for the Town and the Dispatchers deserve a great deal of credit for their efficient service.

The Ambulance Company has had a busy year and the men that operate it for no compensation should be commended for their fast, efficient service.

I wish to thank Chief Ward and his men for their assistance in many cases at accidents and on oxygen calls.

Again it must be impressed that Route 109 and Route 115 have increased traffic conditions due to new developments in surrounding Towns, and also the fact that most of the people who work in Boston drive to work on these Routes. We use two traffic women and two men on Route 109 during school hours and two women on Route 115.

The Officers join with me in thanking the Board of Selectmen and all other departments and citizens for their cooperation during the year of 1966.

Respectfully submitted,

HENRY J. CASSIDY

Acting Chief of Police

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Millis:

At a regular meeting held on Monday, March 21, 1966, the Board of Selectmen organized with Thomas S. Lydon, Chairman; James B. White, Clerk; and Dexter M. Gould.

Regular meetings were held every Monday except during July and August when regular meetings were held twice a month. During the year 14 hearings were held and many special meetings.

FIRE AND POLICE ALARM OFFICE

The following calls were received at the Fire and Police Alarm Office during the year 1966:

General Calls	8267
Accidents	133
Fires	100
Ambulance	127
Oxygen	8
Bomb Threat	1
Airplane Crash	1
Fire Permits Issued	684
Visiting Nurse Calls	45

HIGHWAY REPORT

The year 1966 has been the busiest yet for your Highway Department. In addition to its regular routine work we have had six major projects to complete which are as follows:

1. Union Street drainage from Daniels Street to Ruberoid Corner, 1100 ft. of 24" reinforced concrete pipe.
2. Drainage at rear of Town Yard and new Library, 300 ft. of 24" aluminum pipe and 180 ft. of 15" aluminum pipe.

3. Drainage on Village Street from Forest Road to the residence of Mr. Warren MacInnes, 650 ft. of 24" concrete pipe.
4. Sidewalks. 680 ft. of new sidewalk was constructed on Plain Street from the former residence of Mrs. Winthrop Mandell to Village Street. Also, 1000 ft. of sidewalk was resurfaced from the Nine to Nine Super Market to Clicquot Club Company driveway.
5. A turn around with a diameter of 100 ft. was constructed at the end of Dwight Street so that the school bus could pick up children from this area without backing up.
6. Chapter 90 construction work on Dover Road was again the largest project your Highway Department had in 1966. Crushed gravel was hauled in to make a 20 ft. roadway which was graded, rolled and covered with liquid asphalt to create a good, firm surface. Also, the slopes and banking were graded and will be covered with loam and seeded in the spring.

Chapter 90 Maintenance funds were used on Main Street to resurface two sections: 1. From Eden Street to Dover Road. 2. From Framan's Hill to Millis Septic Tank Inc. A total of 1250 tons of hot top were used for the two sections.

Chapter 81 funds were used for the maintenance of all town-accepted streets.

The following streets received a liquid asphalt application with a sand cover: Winter Street, Buddy Kearney Lane, Railroad Avenue, Water Street, Island Road, Ridge Street, Union Street, Orchard Street, Spring Street, Bridge Street, Monroe Street, McCabe Avenue, Edlmore Street, Dean Street, Turner Street, Himefach Street and Farm Street.

Snow Account

In 1966 ten storms deposited 75 inches of snow. Some 400 tons of salt and 1500 tons of sand were used to control these storms.

New Equipment

In 1966 a new Dodge four wheel drive pick up truck with a plow was purchased to replace a 1961 Jeep.

A new automatic sandspreader was purchased to replace a 1957 sandspreader to give better service for snow and ice control.

Licenses and Permits Issued

- 1 Antique and Secondhand
- 1 Auction
- 4 Auctioneer
- 1 Bowling
- 13 Common Victualler
 - 1 Club — All Alcoholic
 - 2 Common Victualler — All Alcoholic
 - 3 Inn Holder

 - 6 One Day—Beer and Wine
 - 2 Retail Package Goods Store — All Alcoholic
 - 2 Retail Package Goods Store — Wines and Malt
 - 4 Secondhand Auto
 - 1 Skeet Shoot
- 15 Sunday
 - 1 Tavern
- 108 Wiring
 - 2 Liquor Purchase Identification Cards

We wish to take this opportunity to thank all the various departments, Mr. Arthur T. Hurley, Town Accountant, and all citizens of Millis for the excellent cooperation and efforts given us this past year.

Respectfully submitted,

THOMAS S. LYDON, Chairman
JAMES B. WHITE, Clerk
DEXTER M. GOULD

REPORT OF THE BOARD OF HEALTH

To the Citizens of Millis:

Submitted herewith is the Annual Report of the Board of Health for the year ending December 31, 1966.

In accordance with Chapter 111, Section 27 of the General Laws, the Board organized on March 13, 1966 with John C. Euschke, Chairman; John J. Lyons, Clerk; and J. Stanley McQuade.

The dates of the regular meetings were set for the first and third Tuesday of each month at 8:00 p.m. in the Town Office.

BOARD OF HEALTH APPOINTMENTS

Inspector of Slaughtering	Timothy J. McCarthy
Sanitation Agent	Thomas J. Fleming
Milk Inspector	Philip J. Gavin, Jr.

COMMUNICABLE DISEASES

The following communicable diseases were reported to the Board of Health by physicians during 1966:

Mumps	3
Scarlet Fever	2

Permits And Licenses Issud By Board Of Health

Food Service Establishment Permit	8
Bottling Permit	1
Septic Tank Permits	
1. New Installations	12
2. Modification of Existing Facilities	4
Transport and Dispose Offal Permits	2

TOWN DUMP

The rodent control program initiated in 1962 in cooperation with the Board of Selectmen, was continued during the past year.

MILK INSPECTOR

Distribution points, including hotels, markets, dairy bars, restaurants and dealers and their vehicles have been periodically checked for refrigeration and cleanliness, and samples of milk examined, and all were found to conform with the minimum standards of the Massachusetts Board of Public Health.

The following permits were issued and the money for same turned over to the Town Treasurer.

5 Oleomargarine Permits	\$2.50
23 Milk Permits	11.50

INSPECTOR OF SLAUGHTERING

There were no animals slaughtered during the year 1966.

AGENT FOR THE BOARD OF HEALTH

For the year 1966 twelve (12) new septic tank installation inspections were made plus four (4) inspections for modification of existing facilities. Miscellaneous complaints were received and appropriate action was taken where necessary.

FOOD SERVICE ESTABLISHMENT INSPECTOR

Article 10 of the State Sanitary Code requires that all Food Service Establishments be required to obtain a permit from the Board of Health. The Sanitary Code also requires that Food Service Establishments be inspected prior to the

issuance of said permit and at least every six months thereafter by a qualified sanitarian. During 1966 a sanitarian was employed on a part-time basis for this purpose.

Respectfully submitted,

JOHN C. KUSCHKE, Chairman

JOHN J. LYONS, Clerk

J. STANLEY McQUADE

MILLIS HOUSING AUTHORITY

In its second year, Kennedy Terrace has continued to be a neatly maintained Housing for the Elderly, serving well the needs of our Senior Citizens.

Recognized as one of the most efficient and most beautiful Housings in the entire State. The tenants have organized socially: forming the "Terrace Club" with Mrs. Spaulding S. Saville as the President. The Community Building has been the scene of many parties and provides a lounge and game activity area for all.

Since the completion of Kennedy Terrace, all the apartments have been tenanted and a waiting list exists. The Housing Authority owns sufficient land to expand these facilities when the waiting list deems it necessary. This State financed project has left no financial burden on the Town of Millis. The occupants are first selected from among the Millis Residents.

65 years of age or older, having an income not exceeding \$2500 per single person or \$3000 per couple. To be placed on the waiting list requires merely the completion of a simple application form secured from any one of the Board Members.

During the year of 1966, the Authority had two new members; elected Charles Dukelow and State appointed Henry Gibbs. The excellent maintenance of the buildings and grounds has been under the care of Superintendent, Thomas Fleming. The Authority wishes to express particular thanks to the Highway Dept. in helping to keep our street in good condition during the winter months.

In summation, the Authority feels that the excellence of planning and construction have made the management and maintenance function a simple matter. The comfort and convenience enjoyed by our tenants further emphasizes the practical need that has existed for this type of low rental Housing for our Senior Citizens.

REPORT OF THE SCHOOL BUILDING COMMITTEE

To the Citizens of the Town of Millis:

The School Building Committee was organized and as authorized at the Town Meeting signed the contract with A. Mason & Sons, Inc. of Webster, Mass. to construct alterations and additions at the Junior-Senior High School in accordance with plans and specifications by Walter M. Gaffney, Inc. of Hyannis, Mass. Mr. Charles Mandell was appointed Clerk of the Works.

Suitable progress is being made by the Contractor with about fifty percent of the work completed. Occupancy is desired for the opening of school in September of 1967, which we feel can be readily met, pending any unforeseen circumstances.

REPORT OF THE ELEMENTARY SCHOOL BUILDING INVESTIGATING COMMITTEE

To the Citizens of the Town of Millis:

The Committee completed final plans and specifications for additions and alterations to the present Junior-Senior High School, pursuing its opinion that this be the most expedient and economical solution to the Town's present school housing problems.

Bids were received and after appropriate action at various Town Meetings the plans and specifications were passed on to the newly authorized School Building Committee, and the contract awarded by them.

REPORT OF WORLD WAR II MEMORIAL COMMITTEE

To the Honorable Board of Selectmen
and the Citizens of Millis:

We wish to report to you that the World War II Memorial has been maintained in a noteworthy manner.

This memorial is a constant reminder of all the gallant young men and women who have served their country. A reminder every day, that in these days of world tensions our Soldiers, Sailors, Marines and Air Force are involved in this conflict to keep free people from falling under the arm of oppression.

REPORT OF MEMORIAL DAY COMMITTEE

To the Honorable Board of Selectmen
and the Citizens of Millis:

Your committee would like to express again its thanks to all of the townspeople who helped in our annual Memorial Day Parade and exercises. The Millis Legion Knightsmen Bugle and Drum Corps, the Boy Scouts, the Girl Scouts, the Millis Police and Fire Departments and the school children our thanks.

A special note of gratitude to Mrs. Betty Barrett and her committee who helped with many details, too numerous to mention, to make the day a success.

The speaker, Brig. Gen. William Porter, commended the loyalty of Millis citizens to the Memorial Day exercises, again we say Thank You.

 Clerk of the Board

REPORT OF SUPERINTENDENT OF INSECT PEST CONTROL

To the Honorable Board of Selectmen
and Citizens of Millis:

The Elm Trees were sprayed in April for the control of Elm Bark Beetle, the carrier of Dutch Elm Disease.

In July, the Elm Trees were sprayed again for the control of Elm Leaf Beetle and other leaf eating insects.

A scouting and testing program was completed. Forty-nine trees were sampled of which twenty-nine were found to be diseased and were removed.

Spraying of Poison Ivy was also completed in July in sections of the town where most needed.

All Elm wood lying on the ground should be removed as early as possible in the spring and in no event later than April 1st.

I wish to thank the different departments and especially the Highway Department for use of their equipment and efficient co-operation in disposing of diseased Elm Trees.

Respectfully submitted,

DONALD H. LEE

Superintendent of Insect Pest
Control

PUBLIC WORKS BUILDING INVESTIGATING COMMITTEE

To the Honorable Board of Selectmen
and Citizens of Millis.

This committee was appointed by the moderator as the result of a vote taken under Article 50 of the 1966 Annual Town Meeting, to investigate the needs for a Public Works Building in Millis.

The committee held its first meeting on October 27, 1966 and organized with Mr. Richard C. Barrett as * Chairman and John F. Kilmain as Secretary. Following the meeting a preliminary investigation was made of the existing Town garage facilities as well as visits to favorable future land sites were viewed.

Due to the complexity of this study, it is the wish of members of the committee that it be continued during the year 1967 to allow more time before submitting a report. We are therefor requesting an article be inserted in the annual warrant for this purpose.

Respectfully submitted,

* Resigned

IN MEMORY OF

GEORGE D. CASSIDY SR.

Life long resident of Millis, Chairman of the Board of Assessors for 31 years and a member since 1934 died suddenly in November of 1966.

Deep rooted conviction for fair evaluation were well reflected by his many courageous statements of sound memory. His personal integrity not once being questioned under many years of public service.

We all mourn his passing and shall be hard pressed in seeking an adequate replacement. His personal traits and characterization shall long be remembered by those who were acquainted with him. He was certainly a significant benefactor in Millis both in his official capacity, as a friend and in other civic matters.

PERSONNEL COMMITTEE REPORT

In an effort to maintain a fair wage scale, to eliminate inequities, to make clear and certain the benefits of the Town of Millis employees, this committee has been and will continue to hold regular meeting until a final complete report and by-law can be presented to the town.

We have solicited and obtained information from our neighbor towns and from 80 towns in corresponding population groups. We have examined model by-laws of other towns and have received help from the State Association of Municipal Personnel Boards. We have attended the seminar at Dean Junior College on the new collective bargaining statute. We have met with the selectmen and with department heads both formally and informally to learn of and try to correct some of the most serious problems.

We have researched and established that a cost of living increase should be granted in 1967 and have included this in our proposed wage schedule. We have anticipated and provided for classifications and wage scales for the sewer department which will have greatly expanded responsibilities. We confirmed, clarified and put in writing some of the employee benefits which had been loosely interpreted by various departments and added some others. We prepared and distributed questionnaires to the town employees for the establishment of permanent personnel records which will be available to the personnel board, selectmen and department heads when necessary.

We are preparing a complete list of job descriptions which will require the cooperation of all employees, their supervisors and the selectmen. We intend to re-evaluate completely all town employee jobs and will make recommendations for wage

changes where appropriate. We will be available to any town employee for grievances that cannot be resolved through normal channels or to any employee who otherwise wishes to discuss his employment. The committee is also carefully considering the advantages and disadvantages of establishing a Public Works Department and hopes to present their report of this at the next regular town meeting. The committee hopes to have available to the town for next year a completed personnel administration plan in printed form.

It is the unanimous feeling of this committee that we have received excellent cooperation from all the town employees and officials whom we have contacted. We wish to express our thanks for this and our appreciation for their understanding and patience.

Respectfully submitted,

JOSEPH D. HERSEY,

TOWN EMPLOYEE BENEFITS

Schedule C

PAID HOLIDAYS

If any of the following holidays, or days observed as such, as determined by the Millis Board of Selectmen, are the scheduled work days of a full-time employee, and no work is performed by him on that day, he shall receive a day's pay at straight time rate. Should the below mentioned days be the scheduled work days of a full-time employee, and work is performed by him on that day, which work has been duly authorized, he shall receive a day's pay at straight time rate, plus additional straight time for such work performed. Holiday time shall be from midnight to midnight of the day celebrated as such. These provisions shall apply only to shifts regularly scheduled to start within the 24 hour period of the holiday, and shall not apply to regularly scheduled shifts which start prior to and run into the holiday period. The holidays are New Year's Day; Washington's Birthday; Patriots' Day; Memorial Day; Independence Day; Labor Day; Columbus Day; Veterans' Day; Thanksgiving Day; Christmas Day.

VACATION ALLOWANCES

Vacation allowances for full-time employees shall be granted as follows:

- (a) Full-time employees who have been employed for less than 12 months as of May first in the current year, shall be granted vacation leave of one day with full pay for each month of employment, as calculated from the first day of employment, provided that this leave credit shall not exceed ten days.

- (b) Vacation leave of two weeks with two weeks regular pay shall be granted to any full-time employee who, as of May first, has been employed by the Town for at least one year, but less than ten years.
- (c) Vacation leave of three weeks with three weeks regular pay shall be granted to any full-time employee who, as of May first, has been employed by the Town for ten years or more.
- (d) If a paid holiday falls during the vacation period of the full-time employee, an additional day of vacation with pay shall be granted.
- (e) Vacation time must be completed within the calendar year and may not be accumulated for use in any following year.

JURY SERVICE

Any full-time employee required to be absent from his or her employment to serve on a jury shall be paid his or her regular wages, less any pay received, (excluding allowances), as such jurymen, for such time as the employee is required to be absent, and such absence shall be supported by a statement signed by the clerk of the court certifying as to each day of jury duty.

FUNERAL BENEFIT ABSENCE

Upon the death of any member of a full-time employee's immediate family (wife, husband, father, father-in-law, mother, mother-in-law, children, step-children, sister, brother, step-father, or step-mother) the employee shall be granted up to a maximum of three days absence with pay, beginning or ending with the day of the funeral service, and further, that such employee shall be reimbursed only for days that are a part of the employee's regular schedule.

SICK LEAVE

All full-time employees shall be entitled to 15 days sick leave during any calendar year.

REPORT OF THE PLANNING BOARD

To the Citizens of Millis:

During the year 1966 the Planning Board held eighteen regular meetings, four special meetings and three public hearings.

A contract was entered into for engineering work on a street drainage system funds for which are to be loaned by the Federal Government.

Several Meetings were held with Whitman and Howard Inc., Engineers who are consultants for the board.

Three subdivisions were considered and disapproved until Board of Health and other requirements are met.

Respectfully submitted,

ARTHUR B. BLACKETT,
Chairman

TALBOT DEWEY

JAMES R. McDONOUGH

HAROLD E. CURRAN

FRANK LaROCCA

REPORT OF THE TOWN COUNSEL

To the most Honorable Board of Selectmen
Gentlemen:

My report as Town Counsel for the year 1966 is herewith most respectfully submitted.

The past year was beset with a great deal of varied activity. It appears that our town is no longer a small town but has emerged as one of the most progressive towns in the Western Norfolk District. This could not be accomplished without the tireless effort and sacrifice by your most civic-minded Board. I wish to take this opportunity to commend your Board for the tremendous job you have done this past year.

Among the activities this office was involved in behalf of the Town of Millis were as follows:

Preparation of releases relating to motor vehicle violations

Sales of low value land

Decisions concerning violations of Zoning by-laws

Matters relating to Outdoor Advertising Division

Easements granted to Town of Millis

Eminent Domain proceedings

Interpretations of various statutes

And other matters concerning Department of Public Works, Visiting Nurse Association, Department of the Attorney General, etc.

A case of great interest decided by the Supreme Judicial Court of Massachusetts on December 1, 1966, was the case of Commonwealth vs. Sostileo. This case for the first time removed all doubt of the right of a town to set a penalty

by fine recoverable in the District Court for violation of its zoning by-laws. The decision in this case is very sound as the alternative procedure of a bill in equity for the enforcement of a zoning by-law is cumbersome, time consuming and expensive.

The cases of Brockton Taunton Gas Company vs. Board of Assessors and Maremount Corporation vs. Board of Assessors are in court again. The Brockton Taunton Gas case you will recall are cases that this office settled by way of agreement with counsel for Brockton Taunton Gas Company. This agreed settlement was with the approval of the then Board of Assessors and was to become effective upon the dissolution of the injunction against the Board of Assessors in the Maremount case. For some unknown reason, to this office at least, the agreed settlement entered into in good faith was never consummated and the matters are again pending in Court.

In the Maremount case it appears that a final decree was entered in the original case determining the assessed valuation of the Maremount Corporation at \$118,373.50. As of Jan. 1, 1965 the Board of Assessors assessed the valuation of Maremount Corporation at \$260,400.00. I don't believe any explanation is necessary as to the reason the Maremount Corporation filed a Bill in Equity against the Board of Assessors.

As I did not approve of the actions of the Board of Assessors in the above cases of Brockton Taunton Gas and Maremount Corporation, I could not in good conscience represent such Board. The Board of Assessors is being represented by Attorney Bruce Stuart of this town.

In the case of Douglas Anderson et al versus Board of Appeals the Norfolk Superior Court found that the Board of Appeals did not comply with Chapter 40a, section 18, and, therefore, held that the decision of the Board was null and void. As the case was not lost on the merits, the petitioner

was requested to again file application for a variance but he declined to do so.

Two cases, Edward M. Walsh versus Board of Assessors and Frances Lyons versus Board of Assessors concerning applications for abatement of real estate tax were entered with the Appellate Tax Board. These cases were also handled by Attorney Bruce Stuart. Frances Lyons was given an exemption of \$245.00 by the said Board. I am sorry I have no determination of Mr. Walsh's case.

There were also many controversies that were settled without the benefit of court action due to the intelligent handling of these matters by your Board and other Boards so involved.

Before I terminate this report I wish to again thank the reporters, Fran Merkle of the Suburban Free Press, Grace Dalton of the Milford Daily News, and Marjorie Whitecross of the Franklin Sentinel for their complete and impartial press coverage of news of our town and of their understanding of the necessity of executive committee meetings which are indulged in from time to time.

I want to thank you most sincerely for the unswerving cooperation of your Board and of all Town Officials, Boards and Committees that have worked with me during this past year of 1966.

Most Respectfully Submitted,

ANTHONY T. PETROCCA

Counsel for the Town of
Millis

REPORT OF THE WIRE INSPECTOR

Board of Selectmen
Millis, Massachusetts

Gentlemen:

I hereby submit the following report on wiring inspections in the Town of Millis for the year ending December 31, 1966.

There were 76 permits drawn since April 1, 1966 with 62 completions and 14 in various stages of incompleteness, mostly due to the slowing down of home building.

Respectfully submitted,

HOWARD N. INGALLS,

Wire Inspector

March 24	Good Friday
May 30	Memorial Day

NO SCHOOL

When schools are cancelled, decisions have to be made very early in the morning. In extreme cases, if schools are not cancelled, parents should use their own judgment and act accordingly. In these cases it is permissible to keep your children at home if you feel that the situation warrants your doing so.

Weather changes and it is difficult to know, even using all available information, how the weather will be at school time around 8 o'clock in the morning.

We will use a two-fold system for cancelling school.

No School Signals

Fire whistle plus Ruberoid sounded 2 - 2 at 7 a.m. means no school all schools all day.

Fire whistle plus Ruberoid sounded 2 - 2 at 7:30 a.m. means no school Kindergarten through Grade 6 only all day.

Radio Stations WEZ, Boston, and WKOX, Framingham, will carry these announcements.

SCHOOL COMMITTEE REPORT

To the Citizens of Millis:

Membership of your School Committee for the month of January and February in 1966 included the following: Hugh J. McCarthy, Chairman; Vera C. O'Neill, Secretary; John M. Ritchie, Financial Secretary; Robert W. McDonough, Associate Member, and Earl H. Merkle, Associate Member.

Following the annual Town election the Committee held a special meeting and organized in the following manner: Robert W. McDonough, Chairman; Vera C. O'Neill, Secretary; Hugh J. McCarthy, Jr., Financial Secretary; Donald M. Huin, Associate Member, and John M. Ritchie, Associate Member.

During the school year the Principals were present, by invitation, to discuss personnel, programs, preliminary budgets, and curricula.

The Committee voted to continue to operate Kindergartens. A recommendation of the Willis Report, a study of public education in the Commonwealth, recommends that kindergartens should be an integral part of every public school system. The State Department of Education is undertaking a study in this area and the Millis School Committee has participated by request. Mrs. O'Neill has represented the Committee in this enterprise.

The Committee authorized the continuation of the departmentalization of grades 5 and 6 in the areas of English, mathematics, history, geography, and science.

Behind-the-wheel, an important phase of the Driver Education Program, has been continued after school hours for the third consecutive year. We are grateful to the Fred C. Browne Ford Agency of Walpole for making two cars available for this purpose.

Other youth and adult programs initiated, planned, and operated by the School Committee include the Summer Recreational Program which offers swimming and safety instruction at the Ashland State Park, as well as supervised playground activity in the Town Park; Swimming (fall and spring) at Babson Institute; Evening Practical Arts Programs for adults. Courses are planned to meet the interests of the community. An Advisory Committee cooperates in this program.

It is hoped that local organizations plan to follow School Committee policy which, in part, stresses the point that the facilities in the Clyde Brown and Memorial Schools rather than the Junior-Senior High School be used providing the facilities in the elementary schools meet their needs.

In keeping with School Committee policy, bids are prepared, advertised, and publicly opened by the School Committee for the following purchases and contracts: bus, supplies, equipment, fuel, milk, bread, typewriters, etc.

Special attention is given to the maintenance of school buildings and grounds, not only during the school year but during the summer as well.

The Committee voted to allow student pictures to be taken for the second year at the elementary level and for the first year at the secondary level. This had been discontinued but it was requested by parents that the plan be reinstated two years ago. It is definitely on a voluntary basis as to whether parents do or do not purchase the pictures.

Pupil insurance is also offered on a voluntary basis to parents. Because of the numbers involved the rates are reasonable and serious consideration about participation in the program should be given by parents. At the opening of school each year, information concerning the program is made available. All claims to date have been honored which are in keeping with the coverage offered by the policy.

The Committee continues to serve as co-sponsor of the Brownies, Cub Scouts, Girl Scouts, Boy Scouts, Explorers, and the American Legion Drum and Bugle Corps.

The Committee has endorsed the participation of the local school system in many federal supported programs which included: Operation Headstart; Public Law 89-10 Titles I, II, and III projects and National Defense Education Act programs. Details relating to these will be found in the Superintendent's and Principal's reports. It is certain that by participation in these programs the Millis Public Schools have been able to extend their educational programs not only during the school year but during the summer.

The Committee is aware that much effort is exerted by the office of the Superintendent and Principals for these programs to materialize.

The Committee voted that Robert W. McDonough would be the delegate at the annual meeting of the Massachusetts Association of School Committees which was held at the Belmont Hotel, Harwich, in October. He and Superintendent Dr. George C. Roy attended this convention. The Committee maintains an active membership in the Area II School Committee Association and attends its meetings regularly.

The Committee participated in the Seminar for School Committee Members co-sponsored by the Boston University School of Education and the Massachusetts Association of School Committees.

The Committee is pleased that the townspeople supported the addition to the Junior-Senior High School. The cooperation of all parents, pupils, personnel, local associations, and townspeople is appreciated during this building period.

With the passage of the Collective Bargaining bill by the General Court, the Committee has recognized the Millis Teachers' Association, an affiliate of the Massachusetts Teachers Association, as the sole bargaining agent and is presently in the process of negotiations.

The Committee has conducted several extra meetings and has spent many extra hours studying and reviewing its budget and is convinced that its request is a minimum to operate efficiently and effectively the school system for 1967.

The School Committee recommends that a committee be appointed to investigate land for school purposes and is preparing an article for the warrant to meet this need.

In closing, the Committee wishes to extend its thanks to the members of the faculty, administrators, school personnel,

American Legion, members of the PTA, the Lions Club, and the townspeople for their cooperation and assistance in making the school year of 1966 beneficial and profitable.

Respectfully submitted,

ROBERT W. McDONOUGH,
Chairman

MRS. VERA C. O'NEILL,
Secretary

HUGH J. McCARTHY, JR.,
Financial Secretary

DONALD M. KUHN

* The amount of money to be reimbursed will, to a large extent, depend on the amount raised by the sales tax. The entire budget must be appropriated and the reimbursements under this section are returned directly to the town. The above figure is taken from The Commonwealth of Massachusetts Division of Research and Development made in accordance with Chapter 70, as amended by Chapter 14, Acts of 1966.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Millis:

Herewith I present my eighteenth report as Superintendent of Schools. It is the seventy-fifth report in a series of School reports which began in 1892. Included in my report are selections of the reports of the principals and excerpts from other key personnel.

The following are statements or ideas taken from the various reports of the department heads, coordinators, supervisors, and coaches:

1. The Social Studies Department continues to strive to attain the objective of the public school system; i. e., to prepare responsible citizens. To attain this goal the Social Studies Department has continued to study the curriculum in relation to the needs of the community, the nation and the individual students.

The Social Studies Department plans to continue to study and revise its curriculum in the future. In doing this we plan to:

- a. Employ more extensive use of cooperative teaching within the department and with other departments
- b. Select materials and employ techniques of teaching to aid the underachiever as well as the academically talented student
- c. Continue and expand student participation in community life.

Harry C. Damon,
Social Studies Department Head

2. The offerings in the area of mathematics for the school for the school year 1966-67 are substantially the same as those which were available in 1965-66.

Four years of college preparatory mathematics are offered. A student who completes this series with a good grade in the top level should be ready for calculus at the college level. A student who completes this series with a good grade at the second level should be able to handle a mathematics course at the college level which might be required in a liberal arts program.

We are currently offering an algebra-geometry sequence, open to those 8th grade students who are not recommended for algebra, but who desire to follow the college curriculum. This sequence allows three years for the work in algebra and geometry, which is customarily done in two years. By pacing the work more slowly, it is hoped that the student will

be able to do the work successfully, and be ready for a second year of algebra in their senior year.

Extension of mathematics into related areas is under consideration for Business, Shop, and Consumer Mathematics.

Mary K. Gavin
Mathematics Coordinator

3. Again this year, there has been a marked increase in the number of students taking foreign languages. There are now five Latin classes, five Spanish classes, and seven French classes. Of the seven French classes, three are divisions of French I. In all Spanish and French classes the audio-lingual approach to foreign language instruction is being employed; therefore, all French and Spanish classes are primarily oral, and all of these classes use the language laboratory a minimum of three twenty-minute periods per week.

In the language laboratory, the students tape for ten minutes, and then they listen to their individual tapes for an additional ten minutes. In listening to their tapes, the students hear the recording of the master tape and also their own individual voices and consequently they are able to correct whatever errors that have been made. Likewise, since the students are each working independently in their separate booths, the teachers may work with any one student without interfering with the progress of the remainder of the class.

Leo J. Dugas
Foreign Language Department Head

4. The business world is rapidly changing, and we in Business Education must keep up-dating our course of study so that our students will have the knowledge and skills to perform efficiently in the contemporary office.

The modern office is changing to include more and more automation. Menial, semi-skilled clerical work, and most of the old-fashioned bookkeeping work is done on machines. To keep pace with these changes, we are placing more emphasis on our automation course so that the student going into an automated office will be familiar with automated language and hardware. Students are also given some instruction on programming. The students are made aware of the industries that provide in-service training programs which assist people in advancing to higher-level positions.

Under the Federal Government Vocational Act of 1963 (Public Law 88-210), we were able to make available to our students training on a semiautomatic calculator. Also, under this act a record player with ear-phones was purchased to take care of the individual differences in shorthand training. For use in the teaching of first year typewriting, professional tapes were purchased. They, too, help the slower learner.

During the past year we had a representative from the telephone company demonstrate and teach the senior business students how to operate a cordless switchboard.

To inform the students of the new machines on the market, we have had representatives visit the school and demonstrate up-to-date photocopying machines, duplicators, and the latest pegboards used in book-keeping areas.

Because of the emphasis on automation, we are striving to place more stress on mathematics and English in the business area.

Mary M. Barrett

Business Department Head

5. We serve more and more pupils each year in our school library, and we supplement an ever growing and ever changing curriculum. Our pupils are maturing in an ever-changing society. All these challenge a school library.

Again this year, we have made use of federal funds and we added over 200 volumes with this money. The Audio-Visual Department also purchased, with ESEA funds, a set of filmstrips on the use of library tools and materials. These were more useful in the orientation classes for 7th grade pupils.

We have continued to provide library instruction this past year. The 7th grade pupils were brought to the library during their English classes for an orientation unit which included the use of basic library tools. Both their English and social studies teachers gave them long-range assignment to reinforce these skills. Eighth grade English classes were given a review of those skills taught last year, as well as an introduction to new library tools.

We have scheduled periods for 11th and 12th grade English pupils to familiarize them with the reference books and the general books which they will need to consult in writing their long-range research papers.

There will be workshop and lecture periods scheduled for other classes throughout the year, as the need arises in their regular classes.

**Joan L. Strathern,
Librarian**

6. The Industrial Arts Program gives an introduction to the basic skills and knowledge which are a part of modern industry. In addition, the program is also of practical value for household maintenance and through its introduction can become an enjoyable hobby.

In all Industrial Arts courses the main emphasis is placed on shop safety and cleanliness. Also, of major importance are the proper techniques of using hand tools and power machines, good design and functional construction of projects, being acquainted with the latest materials and methods, and consumer education.

The Industrial Arts program starts in the junior high where it is a required subject for all boys. In the 7th and 8th grades the students are taught basic woodworking, using primarily hand tools. In these classes the students construct small household items such as knickknack shelves, spice racks, spoon holders, etc.

The high school Industrial Arts courses which are offered for one year each are advanced woodworking, general metals, electricity and electronics. The Industrial Arts Department offers three courses in mechanical drawing with some of this time devoted to blueprint reading and offset printing.

**R. Earl Stearns
Industrial Arts Department Head**

7. The young women of today are facing a world which grows more complex with each passing day. Research indicates that many will spend close to thirty years working outside of their homes.

The varied roles women are required to fulfill in adulthood have caused us to diversify our teaching and incorporate the use of the most up-to-date methods and materials available.

In order to meet the needs of these young people, we endeavor to teach skills in clothing construction, food preparation, textiles, nutrition, social customs, family relationships, decision-making, problem solving and management on a plane commensurate with their grade level.

In addition to our five credit high school courses, we are continuing with our program of one period a week electives for boys and girls who have a desire for greater skill and knowledge in our field on a limited time basis.

Monya Geller

Home Economics Supervisor

8. The total music program encompasses a wide spectrum of educationally centered musical experiences. The total program affects students in grades K through 12.

At the elementary level, music is planned to fit the needs of our children both educationally and socially. Classroom plays, dances of various types, and singing are part of the total music curriculum, and are supplemental to the traditional teaching of music theory, syllable singing, and listening to worthwhile serious musical selections. Audio-visual aids such as the tape recorder, film strips, and phonograph have been used more than ever before due to their availability and effectiveness in the classroom.

At the Junior High Level, music is required in grades 7 and 8, and due to the greater influx of students, there are more musical needs to be met. The formation of a Junior High Chorus attracts many a student to participate, whereas only High School students were eligible in the past.

The three major performing groups — Band, Chorus, and Orchestra, have matured musically to a greater extent. Our high school students are auditioning for District, All-State, and Greater Boston Youth Symphony, and are being accepted on the basis of their musical ability.

All units, Chorus, Band, and Orchestra, have participated in many school activities. The Twirling Association has also lent color by their participation at football games.

Frank J. Cubala,

Director of Music

9. Our effort in the area of organized athletics continues to be an attempt to maintain an even balance with our continuing growth in school population. This means that we must work toward providing the opportunity for all to participate.

For years we were forced to work with more or less rigid bounds in that our sports program was limited to three major fields: baseball, basketball, and football for boys, and basketball and softball for girls.

Two years ago we made the first move by adding track to our boys' program. This met with great success. Last year our track team won in league competition.

Last year we introduced field hockey for girls. This sport has also met with success and we feel it will continue. Our field hockey team plays in the Tri-Valley Conference.

Now we have Junior Varsity teams in baseball, football, and basketball and we feel that this part of our program is worthy of continuation. We are now considering plans for organized teams at the 9th grade level. An experiment in football has given promise that this can be developed.

Henry M. Doyle,
Director of Athletics

10. Physical Education at Millis Junior-Senior High School is given to each girl twice a week. Through this program it is hoped that each girl will develop and improve her coordination, flexibility, physical fitness, rhythmic sense, good sportsmanship, and healthy attitudes. Skills and knowledges of each activity are presented to the girls so that they can successfully participate in an athletic contest and also be intelligent spectators at a sporting event.

The program consists of individual events, dual sports, team sports and recreational events. Each girl is also given the opportunity to participate in both an intramural and interscholastic program. The intramural program is for both the skilled and unskilled who desire competition and fun between their classmates, while the interscholastic program is for the highly skilled who meet competition among other high schools in the area.

Elaine M. Peterson,
Girls' Physical Education

11. Physical Education is an integral part of the total educational program. In physical education, the physical development of a student is provided through a series of activities which develop the fitness, strength, speed, coordination, and vitality of every student. The social-emotional aim is achieved through activities which call for competition and cooperation. In this way, leaders and followers are developed and a sense of fair play, honesty, and sportsmanship learned. The intellectual phase is developed through learning of rules, strategy, scoring, and officiating of

the activities. This increased knowledge will lead to a better understanding and appreciation of the activity both as a participant or as a spectator.

Andrew J. Marak

Instructor of Physical Education

12. The varsity baseball team of 1965-1966 ended the season with a 4-11 record. Retaining only four members from the previous year, the team consisted mainly of young, inexperienced players.

Looking forward to the 1966-1967 season, we envision a more experienced team. Three-fourths of the team will be Sophomores or Juniors.

The Junior Varsity, in its first year, won five of its eight games. The team consisted mainly of eighth and ninth graders and was ably coached by Francis Flanagan.

Ernest A. Richards

Head Baseball Coach

13. This year we had 71 candidates report for practice on September 1, 1966. With such a large turnout we, the coaches, decided to develop three teams -- Varsity, Junior Varsity, and Freshman. The Varsity Team compiled a 6-2 record and second place in the Tri-Valley Conference. The Junior Varsity had an 8-0 record and the Freshmen had a 0-2-1 record.

A great deal of the credit should go to three fine coaches: Paul Duce, Andrew Marak, and Peter Glanville. Their loyalty, willingness to work, and knowledge of football contributed a great deal to the success of this year's squad. The outlook for 1967 is bright with five returning lettermen and the promotion of the undefeated Junior Varsity team to the Varsity.

Ernest A. Richards

Head Football Coach

14. The Art Department of the Millis Public Schools continued to offer a wide and rich variety of experiences to students throughout the school system in 1966. For the first time, students in the Elementary school, specifically those in the fifth and sixth grades, were taught art in a departmentalized program. Unit lessons became obsolete and had to give way to two and three week projects. The Primary grades received art training in the standard manner with the supervisors presenting the stimulation for lessons and the classroom teacher following through on the ideas.

Art in the Junior and Senior High School changed somewhat as well. General art at the High School level became available to students during study periods, so that projects could be completed more quickly. The cultural enrichment course, Art and Civilization, continued in the direction of boosting the cultural and environmental awareness of the students participating. The Junior High program progressed along the lines established in the last few years, with the goal of rounding out the art training of the students involved.

Russell T. Gilfoy
Art Supervisor

15. During the present school year approximately ninety students are attending classes in remedial reading.

Students in grades five and six are attending Remedial Reading classes in a new Team Learning set-up. Under this plan students rotate in their attendance in these classes thus allowing more students to participate than would otherwise be possible.

There has been a change in reading for students in Grade Five this year. For the first time the entire developmental reading program is being handled by one teacher, on the fifth grade level.

Memorial School Library was enriched this year by the addition of an unusually large number of books.

Eleanora T. Duross
Elementary Reading Supervisor

16. The Millis Elementary School's program endorses sound, wholesome activities designed to fit the needs and purposes of all involved according to the limitations of equipment, programming, time allotted, and facilities.

Included in the activities for the pupils are a wide variety of individual and team sports, recreational games, and dances, individual skills the standards of which are conducive to social and spiritual growth as well as physical safety and well-being.

Betty M. Cushman
Elementary School Physical Education

17. The Millis Schools are three of more than 62,000 schools participating in the federal school lunch program. The program aims to provide food for nourishment and for education in proper diet which helps to determine a lifetime of physical well-being. The United States De-

partment of Agriculture establishes minimum requirement for what they call "The Type A Lunch". The meal must consist of at least two ounces protein, three-fourths cup fruit and/or vegetable, bread, butter and one-half pint milk and the meal must meet at least one-third of the child's minimum daily nutritional requirements.

Eileen Brown,
Cafeteria Manager

18. Guidance at Millis Junior-Senior High School is a part of the school's total educational program which, in a systematic and organized manner, attempts to assist the individual pupil in a better understanding of his own characteristics and potentialities, his assets and liabilities, and to use this knowledge effectively in dealing with his environment.

The primary aim of the Counsellors at Millis Junior-Senior High School has been to provide each student an opportunity for self-evaluation and to assist each student during the year.

The Northeastern Career Conferences are presented again this year. An ever increasing number of Admission Officers from various schools and colleges have visited the school. The following named schools and colleges have sent representatives to Millis High School: University of Massachusetts, Centerize School of Business, New England College, Harvard University, Franklin Institute, Wentworth Institute, Johnson and Wales Business School, and Bryant & Stratton Business School.

Donald C. Morrison,
Director Guidance Department

19. It is the responsibility of the handwriting consultant to provide a tenable philosophy for the teaching of handwriting in the schools. A serious effort is made to provide the best possible handwriting program within the limits of the financial resources available in our schools.

The handwriting program, to be effective, must provide adequate instructional and motivational materials for the pupils and the teacher.

A good handwriting program must provide sufficient direction on the part of the handwriting consultant to keep pupils and teachers informed of the progress that is being made and the areas that need special remedial attention.

The handwriting consultant, teachers and local administrative officials should understand the psychological effect of good handwriting on people who are required to use the handwriting product as a means of

of the effectiveness of teaching in general in the local schools. The handwriting product is something that parents can see.

We who are responsible for the handwriting product in the local schools are fully conscious of these factors that are inherent in the handwriting program and constantly strive to improve our techniques and provide effective motivation.

Following is a statistical summary of the handwriting achievement in Millis recorded in June 1966: 78% of the pupils scored Excellent in the formal handwriting tests administered at the close of school; 13% scored Good; and 9% scored Fair.

W. L. Rinehart,
Director Rinehart Handwriting
System

Federal Projects and Programs

The Operation Headstart Program for thirty-two pre-kindergarten boys and girls included the services of two teachers, two teacher aides, part-time school nurse, part-time psychologist and part-time speech therapist. This was operated for a period of eight weeks during the summer of 1966 at the Clyde Brown School.

In this program physical, social, emotional and cultural aspects were included.

Under Public Law 89-10 Millis has participated in Titles I, II, and III. The Title I project was written, submitted, approved and carried on during the summer of 1966 for six weeks. The special program allowed students to strengthen their weak academic areas and also afforded students to participate in a cultural program in the area of art and music. This was conducted daily from 8:30 to 11:45 in the Memorial School for a period of six weeks.

Projects were approved for the library program under Title II, Public Law 89-10 for both elementary and secondary levels.

Please read the report on the Title III project, Electronic Laboratory in the Elementary Principal's report.

Millis has also participated in all phases of the National Defence Education Act program in the areas of English, mathematics, science,

reading, foreign languages, history, and geography, and Vocational Educational Act in the business curriculum.

Plans are under way to participate in as many federal educational programs as possible. All but Operation Headstart will be carried on in 1967. Due to technicalities it would appear that this program will not operate in Millis this year.

By participating in these programs the students and the school system have benefited greatly.

Reimbursements

Amounts received to finance our federally supported programs amount to the following:

Operation Headstart	\$8,741.50
Title I	4,859.80
Title II	3,403.26
Title III	5,957.00
Vocational Education Act (Business)	487.00
NDEA	4,562.56
TOTAL	\$28,011.12

School Housing

With the addition to the Junior-Senior High School the building will have a capacity to accommodate approximately 1100 students. Temporarily, elementary students will be housed in the building beginning September, 1967.

Point of View

It is important that our schools have the best curricula and use the known teaching procedures.

The following statement of Dr. Jerrold R. Zacharias, professor of physics Massachusetts Institute of Technology ably covers our point of view:

"It is wrong to say that we are pushing things from the graduate school down to the elementary grades. That's not the object at all — to cram more and more things into more and more heads. We're trying to get kids thinking in sophisticated areas. One of the things we really believe is that kids are brighter than you think. There are all sorts of ways to get kids trapped into intellectuality."

May I at this time, extend my appreciation for the cooperation and assistance rendered by the members of the School Committee, the Principals, the entire school personnel, all local organizations, and the townspeople.

Respectfully submitted,

GEORGE C. ROY

Superintendent of Schools

REPORT OF THE CLYDE BROWN AND MEMORIAL SCHOOLS

William J. Costa, Principal

The goal of the progressive elementary school is quality education designed to meet the needs of each child. The activities of the school are directed to meet that goal in several ways. New programs and ideas must be selected for use. To implement the new ideas teachers and administrators must remain flexible and versatile, therefore the professional growth of the staff are of paramount importance. There is always within the central core of the school's program the twin concepts of a continuing concern for children and our way of life.

The teacher-pupil interaction is the educational process. Throughout the school year it is the function of administration to facilitate the process by providing methods, materials and innovations that make the work of the teachers more efficient and effective. It is the final catalyst, it is the prepared, interested, enthusiastic and devoted teachers who achieve the goal of the year's work.

The financial cost of education is always of concern. It is vital to maximize the return on our investment by making wise decisions. The budget is not an end in itself, but actually the means by which pre-selected educational objectives can be achieved.

We have been particularly fortunate this year with regard to the acquisition of funds from federal sources. Title III granted funds to educational innovations of particular promise. Competition was very keen and extremely few grants were made. Mills received one of the few in Massachusetts for the development of an electronic program laboratory. Basically it entails the installation of four dictating machines and thirty-five student stations with amplifiers and selector switches. Any of the four machines may be selected by a student upon direction of the teacher. Since each machine has a different program the advantage lies in the ability to present four different programs to a class at any time. Group size is completely flexible. The installation of equipment is now complete and the teachers are preparing programs to be used initially in the areas of language arts, developmental reading, remedial reading, special education and spelling. Experiments will be continued in other areas in the future.

The programs undertaken by the students and teachers during the year were many and varied. The students participated in assemblies on the traditional and patriotic holidays. All children participated in one

assembly during the year. Various educational and entertaining movies were also shown to supplement the programs. Resources from outside the school were utilized in assemblies concerning safety, conservation, Junior Red Cross activities, etc. The Cultural Enrichment Committee of the Millis Parent-Teacher Association also provide field trips and assemblies of educational and entertainment value throughout the year. We are indebted to them for helping to provide a broader program than would otherwise be possible.

Parents played a prominent part in the life of the school. There were many individual parent conferences, but also many organized group activities.

The teachers had an extremely busy, but rewarding, year. As well as their educational and supervisory duties they served on committees designed to improve the overall growth of the school's program through research and development.

An award system has been organized for fifth and sixth grade students that recognizes service, scholarship and physical fitness.

In conclusion, in behalf of the faculty of the elementary schools, I thank all of the people of the Town of Millis who have, through their cooperation, contributed to make this a particularly pleasant and successful school year.

REPORT OF THE JUNIOR-SENIOR HIGH SCHOOL

William A. Vellante, Principal

There have been many revisions in the science discipline in recent years. After study was made of the new approaches, new science curricula were introduced at the high school level in September.

The theme of the chemistry course is currently referred to as CHEM Study (Chemical Education Material Study). The major difference between traditional chemistry and the new approach is the shift of emphasis from descriptive chemistry toward the chemical principles. Another less obvious approach of the CHEM Study is the systematic presentation of the relationship between experimentation and theory.

Biology has also undergone revision in recent years. In actuality, the approach to the teaching of biology has changed to such an extent that a Biological Science Curriculum Study was established for the purpose of formulating a basic policy regarding the biological sciences. Because of the growing scientific advancement, there is about four times as much significant knowledge today as there was in 1930. Therefore, highly selective developments, together with the most profound insights of the older biology, were included in the new approach. The emphasis is on investigative process of science and the history of scientific ideas.

The third science course that was introduced this year is Earth Science which is an outgrowth of the space age. It is designed to give the ninth grade student an understanding of the world around him. Efforts are made to convey to the student the nature of the problems with which the earth scientist deals, the methods he uses to solve his problems, and the bases for his hypotheses. The background information then offers the student the opportunity to inquire about geology, oceanography, astronomy, meteorology and climatology.

Student activities in the school continue to progress. In addition to the many traditional activities of graduation, socials, honor societies, athletics and intramurals, many students have been engaged in cultural and intellectual programs. Students have visited the Museum of Fine Arts, attended Shakespearean plays and lecture series at the Museum of Science. M. I. T., and Simmons, have assessed the humanities by participating in Oratorical Contests, and have written essays on democracy and peace. Students have been selected to participate in the All-State Orchestra, Band, Chorus, Regional Drama Festivals and Science Fairs.

Communication with the citizenry concerning the Junior-Senior High School activities is usually revealed through programs such as: Visiting Night during American Education Week, honor society assemblies, athletic events, musical presentations, Science Fair, social events, Senior Week which includes Graduation and Class Day, counseling nights for parents of incoming seventh and ninth grade students, and individual conferences with administrators, counselors, and teachers.

The importance of counseling at the secondary level cannot be over-emphasized. An important phase of the guidance services is to assist each student in assessing his strengths and weaknesses in relation to his future plans. Parents or guardians are encouraged to maintain close communication with the personnel of the guidance department.

In addition to conducting faculty meetings, the Principal continues to meet with teachers individually. Aspects of the school curriculum are discussed and reviewed.

The agencies in the community continue to be most cooperative with and generous to the secondary school. Most recently, the Pilgrim Fellowship Scholarship of \$500 was established by the Fellowship Group of the Congregational Church.

In addition to the above, Millis High School graduates have received awards from the Citizens Scholarship Foundation, the American Legion, the Auxiliary, the P. T. A., religious groups, the Boosters Club, and the Lions Club.

Last June a two year progress report of the Junior-Senior High School was sent to the New England Association of Colleges and Secondary Schools and the Commission approved the progress report and commended the personnel for carrying out its responsibilities.

The Principal extends his appreciation to the students and school personnel for their cooperation. He also gratefully acknowledges the interest and cooperation of Dr. Roy and the School Committee.

MEDICAL DEPARTMENT

Jacob J. Zalvan, M.D., Director

The Medical Department spent the greater part of the first semester examining about 850 pupils of the elementary and junior-senior schools. In the Spring, we examined about 150 new kindergarten pupils. The most common defects were found in the feet; second in prevalence were abnormalities in the throat and teeth. Physical development and nutrition — obesity and underweight — were next in importance. There were several with definite postural and orthopedic problems. We gave an annual check-up to those with heart defects. As usual, important defects that required immediate remedial measures were reported to the parents and assurances received that our suggestions would be followed.

Our athletes had a very good season, and fortunately there were no serious injuries. There was no contagion in the schools. The Board of

Health, through the Millis Visiting Nurse Association, again sponsored the annual immunization clinics for polio and diphtheria, tetanus and whooping cough. For the first time tetanus immunization was offered to adults, and although a good number availed themselves of this opportunity, it was disappointing that the veterans failed to come in for needed booster injections. During the summer, we gave our service to the Headstart Program carried on in the elementary school.

We sincerely thank Miss Coldwell and her assistants and the school personnel without whose dedicated help our program could not be successful.

REPORT OF THE SCHOOL NURSE

Mytle A. Coldwell, R.N.

Health examinations were done by Dr. Zalvan at the Pre-School Registrations in May for all incoming Kindergarten children. In the fall Dr. Zalvan examined children entering our school system for the first time and pupils in the alternate grades. Parents whose children were found to have a condition needing attention were asked to consult their family physician for treatment.

Vision and hearing "screening" was done on all children in the grades at some time during the year, and, if a child failed this screening, the parent was notified in order that the child receive adequate treatment. These "screenings" are helpful in picking up certain eye or ear conditions but do not detect all of them and, if a parent suspects his child is having difficulty in either of these areas, a check with a qualified person should be made.

Again this year, dental clinics sponsored by the Millis Board of Health were held for the pupils in the lower elementary grades. Many of these children received dental care as advised by Dr. Brown, School Dentist.

This year the Tufts Dental School Research project ended. While phases of this program were difficult to handle in the classroom situation, there were areas of great worth.

Again this year the Norfolk County Hospital as part of its Tuberculosis Detection Program, which is sponsored by the Christmas Seal Sale, cooperated with the Millis Schools in doing Heaf Tests on all children in grades 1 - 7 and 11 whose parents requested that this screening be done. Since Tuberculosis is again becoming a major health problem, we urge all families to follow up any questionable conditions.

This past year clinics for protection against Diphtheria, Whooping Cough and Tetanus were made available to Millis children.

Sabin Vaccine for protection against Poliomyelitis was offered to grade 1 and pre-schoolers in an effort to adequately protect this younger group who might not have received total protection previously.

Consultants from the Greater Framingham Mental Health Association, met periodically with principals, faculty members and the nurse. These conferences have helped the teacher to better understand the youngsters about whom they are concerned. For some, this is not enough, and it becomes necessary either to refer the family to the Center for help, or to another similar unit.

In March, Mrs. Helen Brodeur, a long-time member of the nursing staff, accepted another position. Her work in behalf of Millis families will be missed.

As I complete another year in the service of families of Millis may I again express my thanks for the cooperation which has been given me by the members of the Millis Public Schools, various Town Departments, Club Groups, the Directors of the Millis Visiting Nurse Association and my assistant nurses, Mrs. Prue, and Mrs. Nosiglia.

REPORT OF THE SCHOOL DENTIST

Herman L. Brown. D.M.D.

A very successful series of Dental Clinics was held this year for the period extending from September, 1965 to June, 1966. After complete x-ray and oral examinations, notices were sent home stating the corrective treatment needed, and many parents elected to have the work done at the School Clinics. Thirty-five Clinics in all were held under the sponsorship of the Millis Board of Health.

One hundred fifty-nine sets of x-rays were taken, and the treatment completed in the Clinics consisted of: 120 fillings in permanent teeth; 178 fillings in temporary teeth; 5 porcelain fillings, and 91 cleanings. One hundred fifty-three children were treated.

This series of Clinics is of great value in the School health program, but it must be emphasized that the teeth of school children need checking two or three times a year. Because of time limitation we can do this only once during the school year.

SCHOOL SONG

Gray is the peaceful night:
 Day's closing brings it nigh—
 Crimson which streaks the sky
 In radiant light.
 Those are our colors dear,
 Though we in numbers few
 To them will be true
 When far or near.
 Each year we work and strive
 To keep our ideals high.
 High as the distant sky,
 Each one alive.
 Memories of happy hours,
 Millis, thou school of ours,
 Hear this our welcome lay,
 Crimson and Gray.

—Words by Ruth Richardson, '20

TOWN ACCOUNTANT'S REPORT

For the LORD thy GOD
bringeth thee into a good land
a land of brooks of water,
of fountains and depths that
spring out of valleys and hills;
A land of wheat, and barley,
and vines, and fig trees,
and pomegranates;
a land of oil olive, and honey;
A land wherein thou shalt eat bread
without scarceness, thou shalt not
lack anything in it: a land
whose stones are iron, and out
of whose hills thou mayest
dig brass.

Deut. viii : 7-8-9
